The Florida Council (R3, Area 4) has not held any meeting since January. The Jacksonville Section had the lead for the FC and coordinating volunteers for the Engineering Safety Workshop (ESW) in Jacksonville early March.

Several correspondences have been sent encouraging all of the Florida Section to register and participate in SoutheastCon 2019 in Huntsville, AL.

The council is working to determine the best way to assist three 'at risk' Sections who are experiencing an extreme lack of engaged volunteers.

The next meeting of FC will be in April at SoutheastCon 2019 in Huntsville, AL
