JULY 22–AUGUST 3 "A SURE-FIRE BROADWAY REVIVAL!"

Annie Oakley is the best shot around, with Buffalo Bill's Wild West show in town, she's set her sites and her heart on sharpshooter Frank Butler. But when Annie joins the show and steals the spotlight, it's good for business and bad for romance. Can these two put down their arms to win at the game of love? This rousing, sure-fire musical hits the mark every time in a testament to the power of love and female ingenuity!" "Anything You Can Do," "They Say Falling In Love Is Wonderful" and "There's No Business Like Show Business."
