**IEEE POWER AND ENERGY SOCIETY ENERGY DEVELOPMENT AND  
POWER GENERATION COMMITTEE AWARDS**

**CERTIFICATES OF APPRECIATION**

**June 22, 2009**

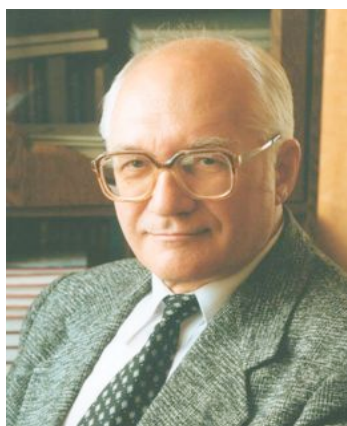

The following Members of the International Practices Subcommittee were awarded a Certificate of Appreciation by the IEEE Power and Energy Society for the Year 2009. Citations, recipients, and photographs of the recipients are reproduced below. They are:

***Rainer Krebs*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Europe: Improving Transmission Capacity of Power Systems with a High Level of Distributed and Renewable Generation—Dynamic Protection and Security at the 2009 General Meeting in Calgary, Canada in July 2009

***Rainer Krebs, Recipient***

***Nikolai I. Voropai*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Distributed Generation: Operation and Control Problems—Asian and Australian Experience at the 2009 General Meeting in Calgary, Canada in July 2009

***Nikolai I. Voropai, Recipient***

***Luiz Augusto Barroso*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Transmission and Pricing for Fast Growing Markets at the 2009 General Meeting in Calgary, Canada in July 2009

***Luiz A. Barroso, Recipient***

***Niko Iliadis*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Energy Developments in South East Europe at the 2009 General Meeting in Calgary, Canada in July 2009

***Niko Iliadis, Recipient***

***Loi Lei Lai*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing Panel Sessions on International Practices in Developments and Techniques in Smart Grids, and International Practices for Alternative Energy in Developing Countries at the 2009 General Meeting in Calgary, Canada in July 2009

***Loi Lei Lai, Recipient***

***Antje Orths*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Europe: Integrating Distributed Generation: European Demonstration Projects and Experiences with Virtual Power Plants at the 2009 General Meeting in Calgary, Canada in July 2009

***Antje Orths, Recipient***

***A (Rahim) El-Keib*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on International Practices in Demand Side Management: Practices and Barriers at the 2009 General Meeting in Calgary, Canada in July 2009

***A (Rahim) El-Keib, Recipient***

***Pathmanathan Naidoo*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organizing and Chairing a Panel Session on Africa's Economic Renaissance Gathers Momentum at the 2009 General Meeting in Calgary, Canada in July 2009

***Pathmanathan Naidoo, Recipient***

***Zbigniew Styczynski*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing Panel Sessions on Europe: Integrating Distributed Generation: European Demonstration Projects, and Experiences with Virtual Power Plants and Europe: Improving Transmission Capacity of Power Systems with a High Level of Distributed and Renewable Generation—Dynamic Protection and Security at the 2009 General Meeting in Calgary, Canada in July 2009

***Zbigniew Antoni Styczynski, Recipient***

***Jim McConnach*** in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Chairing over many years the Working Group on Implementing Technology to Limit Climate Change including Task Force P1595

***Jim McConnach, Recipient***
