<u>UPDATE – 21 FEB 2009</u>

Registration. Authors need to register for the conference by 27 FEBRUARY. Online registration is available at http://ewh.ieee.org/conf/ests09.

Papers submission. Authors need to submit papers by 27 FEBRUARY. Papers should be submitted online at http://www.epapers.org/ests2009/ESR/.

February 8, 2009

Dear ESTS 09 Author:

Thanks for your participation in our ESTS 09 technical conference. We look forward having you participate in April. The registration and technical program should be available this week for you to review.

Registration. As a reminder, authors need to register for the conference by 22 February. Online registration should be available later this week at http://ewh.ieee.org/conf/ests09.

Scheduling. For scheduling, you can see the session schedule available online in two formats: http://www.epapers.org/ests2009/ESR/session_sched.php and http://www.epapers.org/ests2009/ESR/session_index.php.

Visa requests. As ESTS 09 is an international conference, we know that some of you might need a letter in order to get a visa or other travel documentation for our conference.

If you need a letter related to the conference, please e-mail the following information to Barbara Matta (Barbara@ece.msstate.edu) as soon as possible to get a pdf version of the letter.

Presenter's Full Name and Affiliation
Email address
Full Address
ESTS Paper # and Paper Title

We will work to get the letter out within one business day (M-F) of the request.

If you have any questions or need additional information, please let me know.

Sincerely,
Noel Schulz
IEEE ESTS '09 General Chair
schulz@ece.msstate.edu
