

Historical Finance Data of IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) Since 1994

Note: A Microsoft Excel version of these plots for details of the data is accessible at: https://ewh.ieee.org/conf/ius_2008/z_doc_misc/0_0_0_oper_uffc_finance_plots.xls

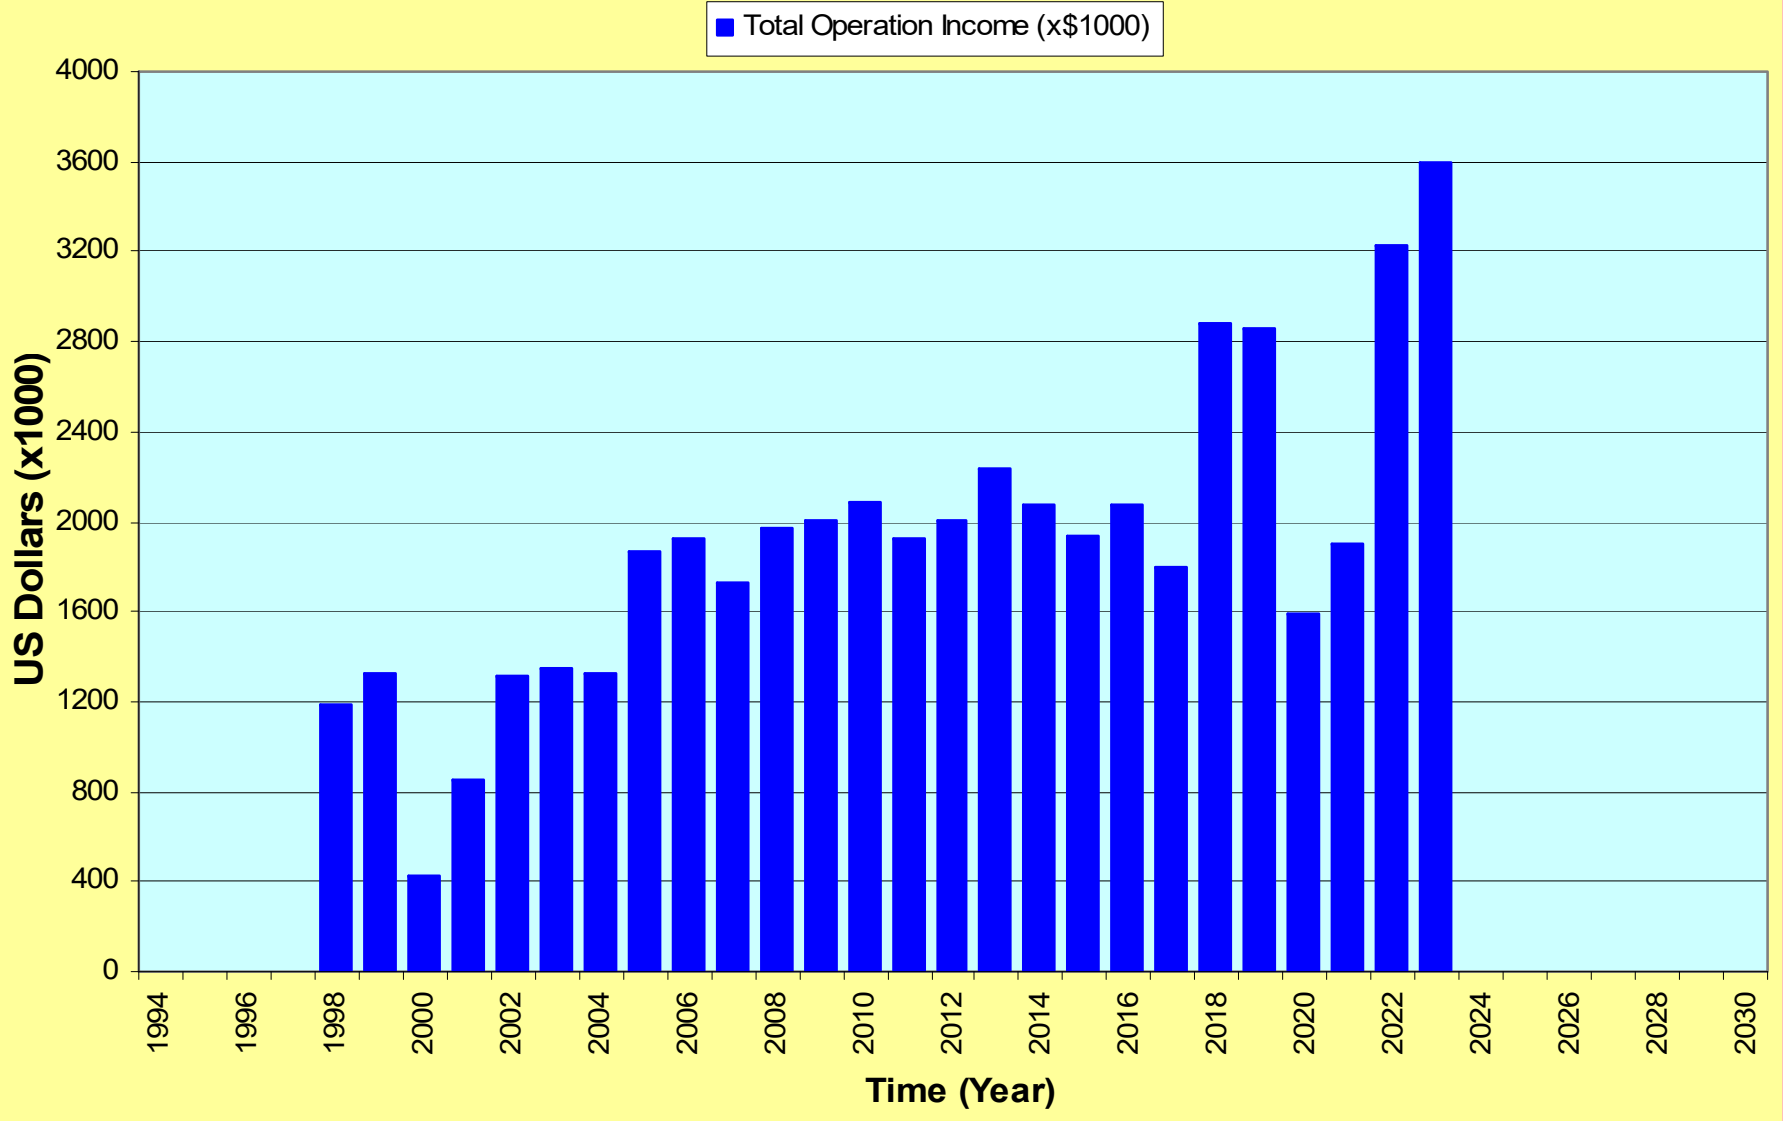

Notes

- 1) IEEE UFFC Society (UFFC-S) is an Organization Unit of IEEE that is a nonprofit organization incorporated in the state of New York, United States, on 16 March 1896.
- 2) Section 501(c)(3) is the portion of the United States Internal Revenue Service (IRS) Code that allows for federal tax exemption of nonprofit organizations.
- 3) “Nonprofit corporations must submit their financial statements, which includes the salaries of directors, officers and key employees to the IRS on Form 990. Both the IRS and the nonprofit corporation are required to disclose the information they provide on Form 990 to the public. One can request a Form 990 from a specific nonprofit corporation by writing to the IRS, including the name of the organization and the tax year one wishes to review.” (See <https://smallbusiness.findlaw.com/incorporation-and-legal-structures/nonprofit-financial-statements.html> for details.)
- 4) Detailed historical IEEE finance can be viewed in the IEEE Annual Reports that are available for public to download at: <https://www.ieee.org/about/annual-report.html> (these reports include income, expense, and net of operations of IEEE, as well as the asset or reserve and much more).
- 5) The charts in this file only contains the historical finance data of IEEE UFFC-S. For those who are interested in the finance of the entire IEEE, please check the website in Item 4) above.

Reserve of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - "0" values mean that data are not available for those years

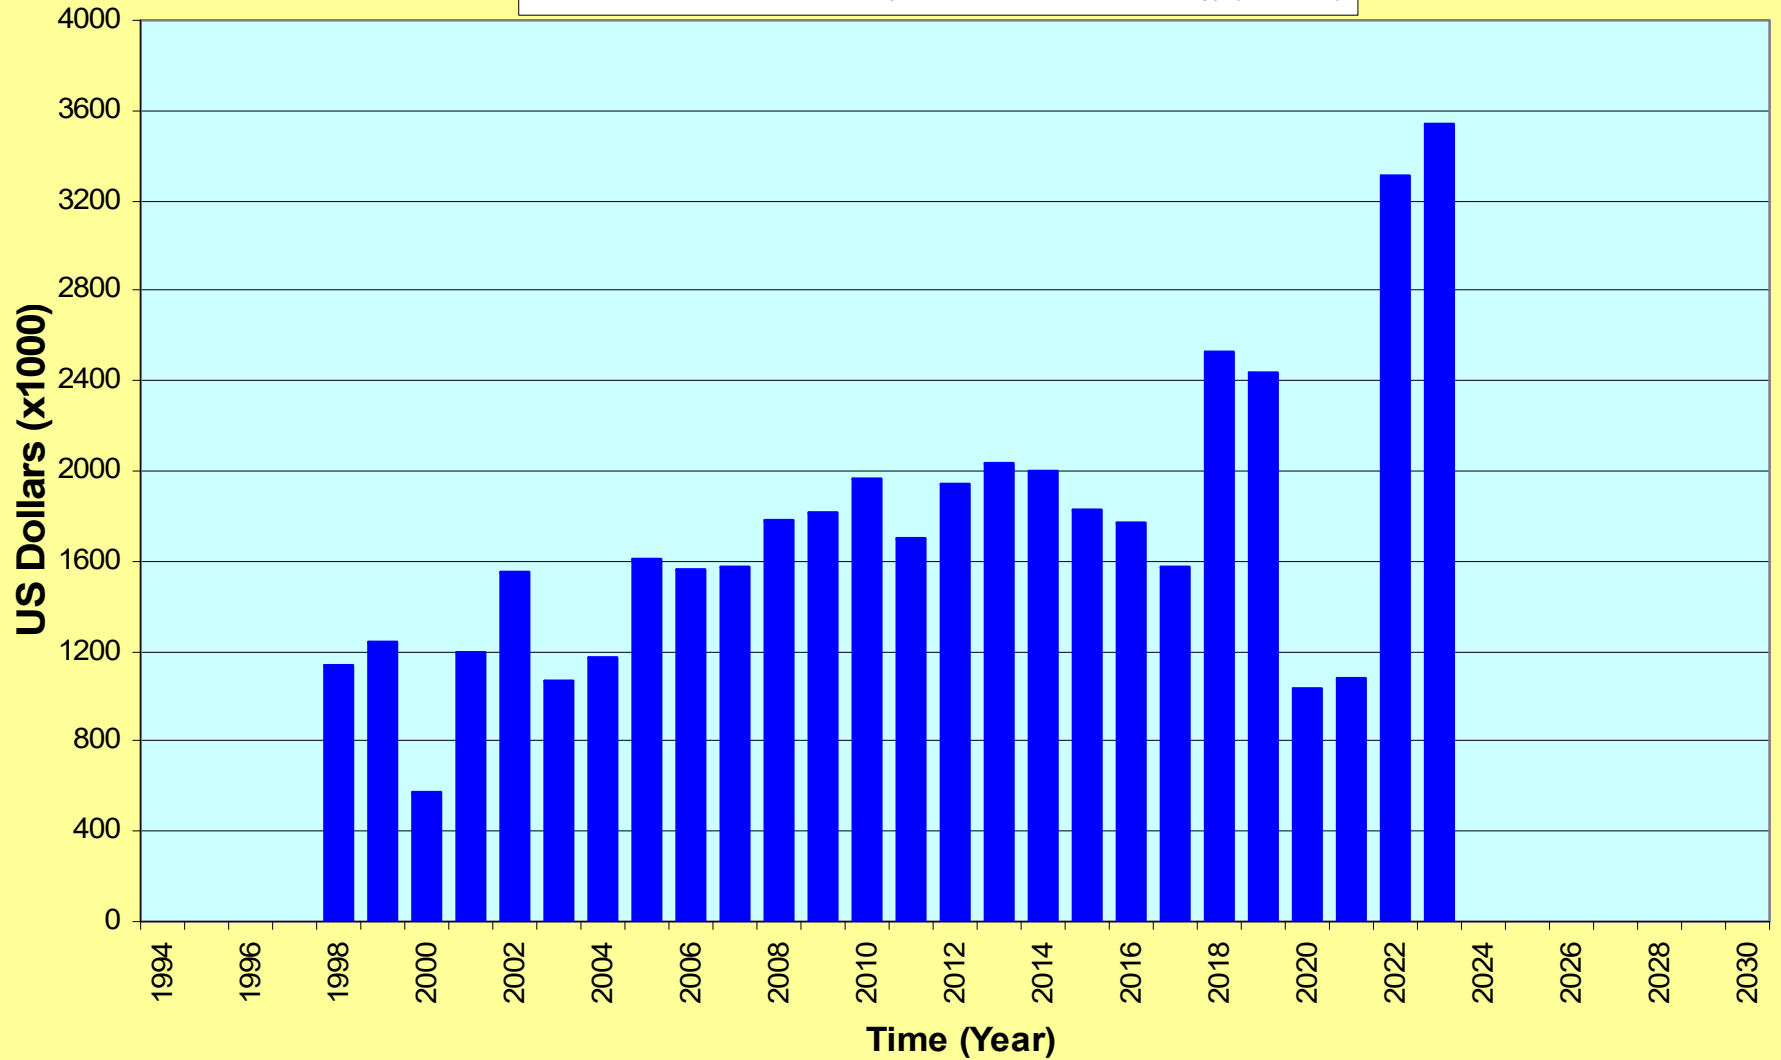

Total Operation Income of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - "0" values mean that data are not available for those years

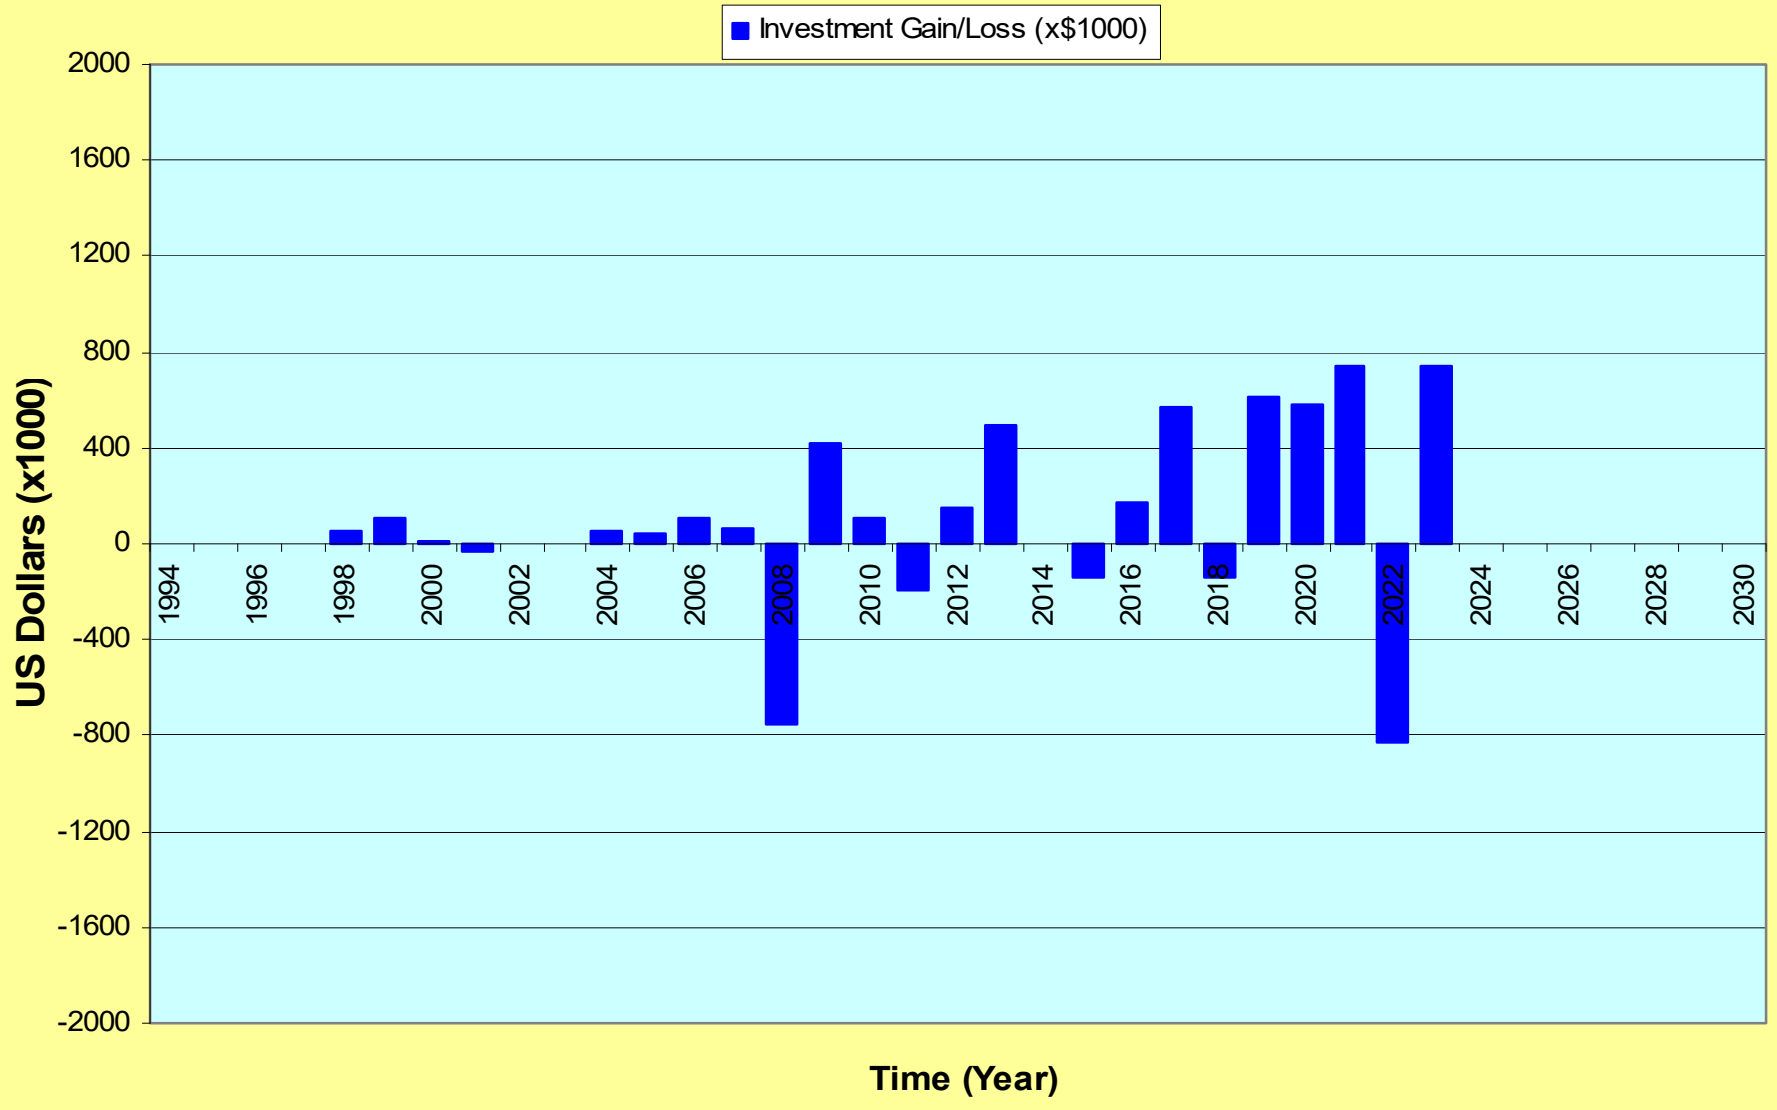

Total Operation Expenses of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - "0" values mean that data are not available for those years

■ Total Operation Expenses (Include Initiative Spending) (x\$1000)

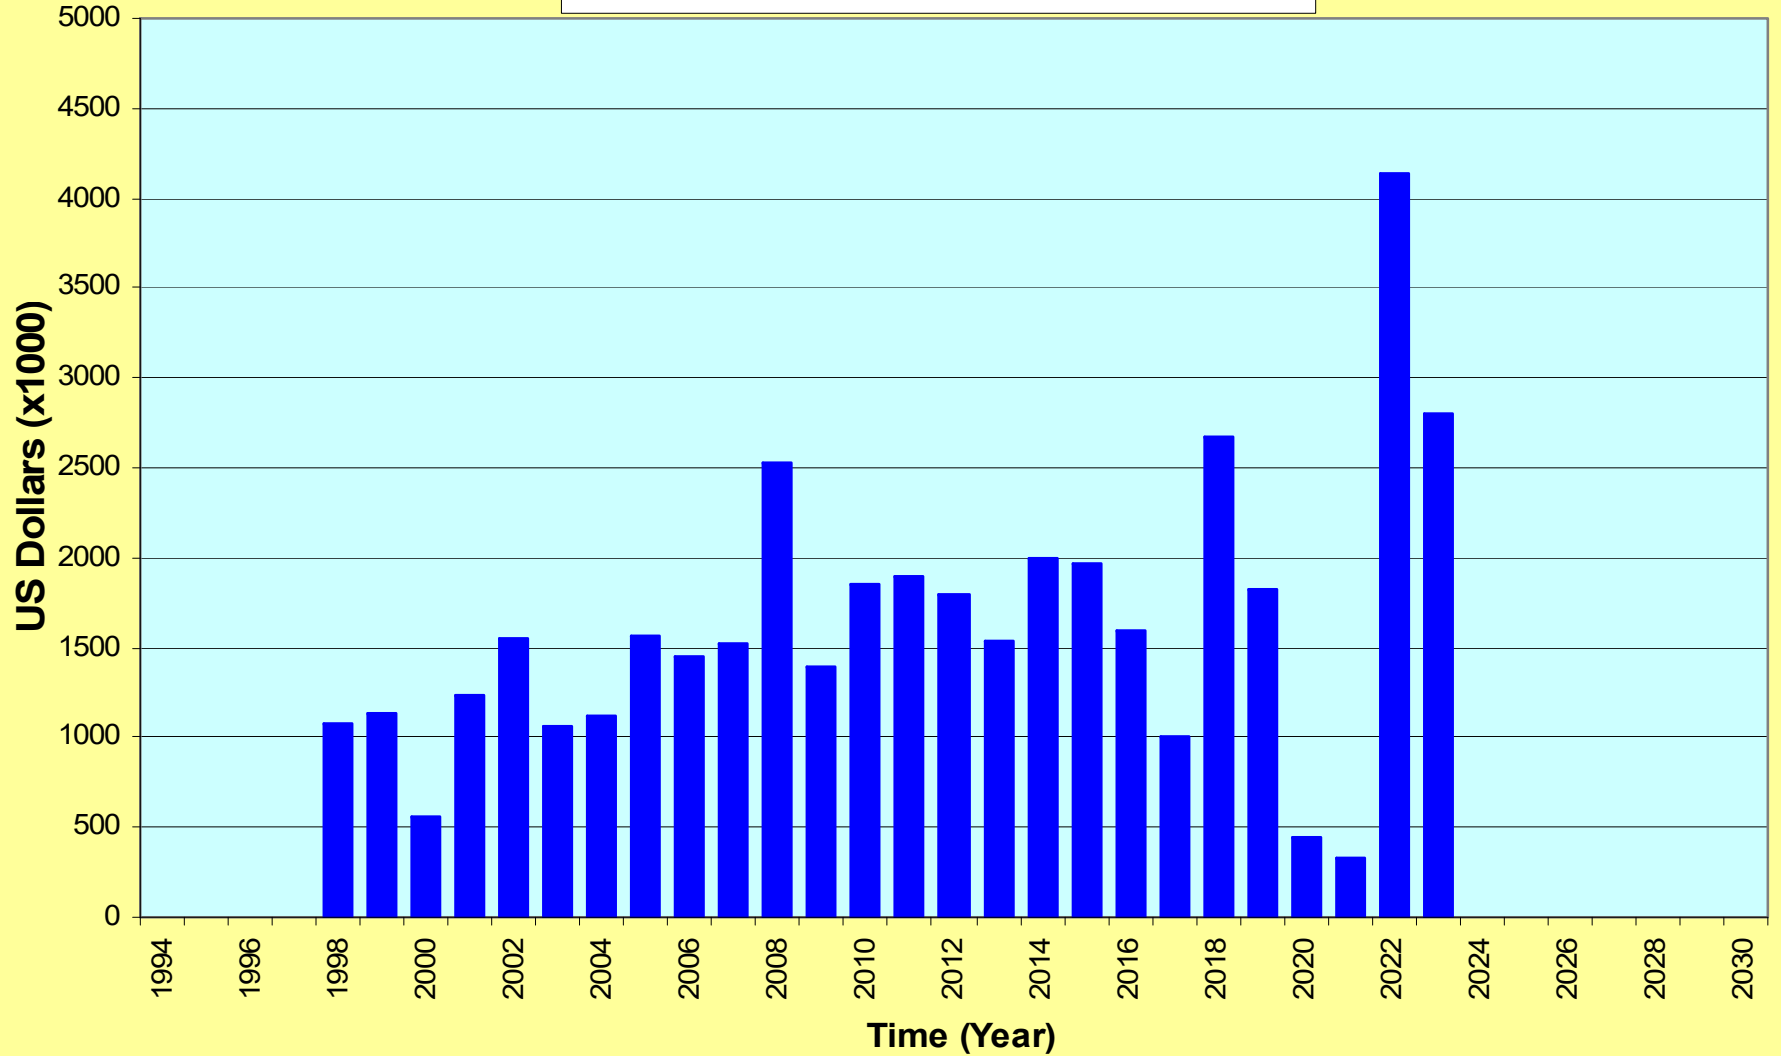

Investment Gain/Loss of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - "0" values mean that data are not available for those years

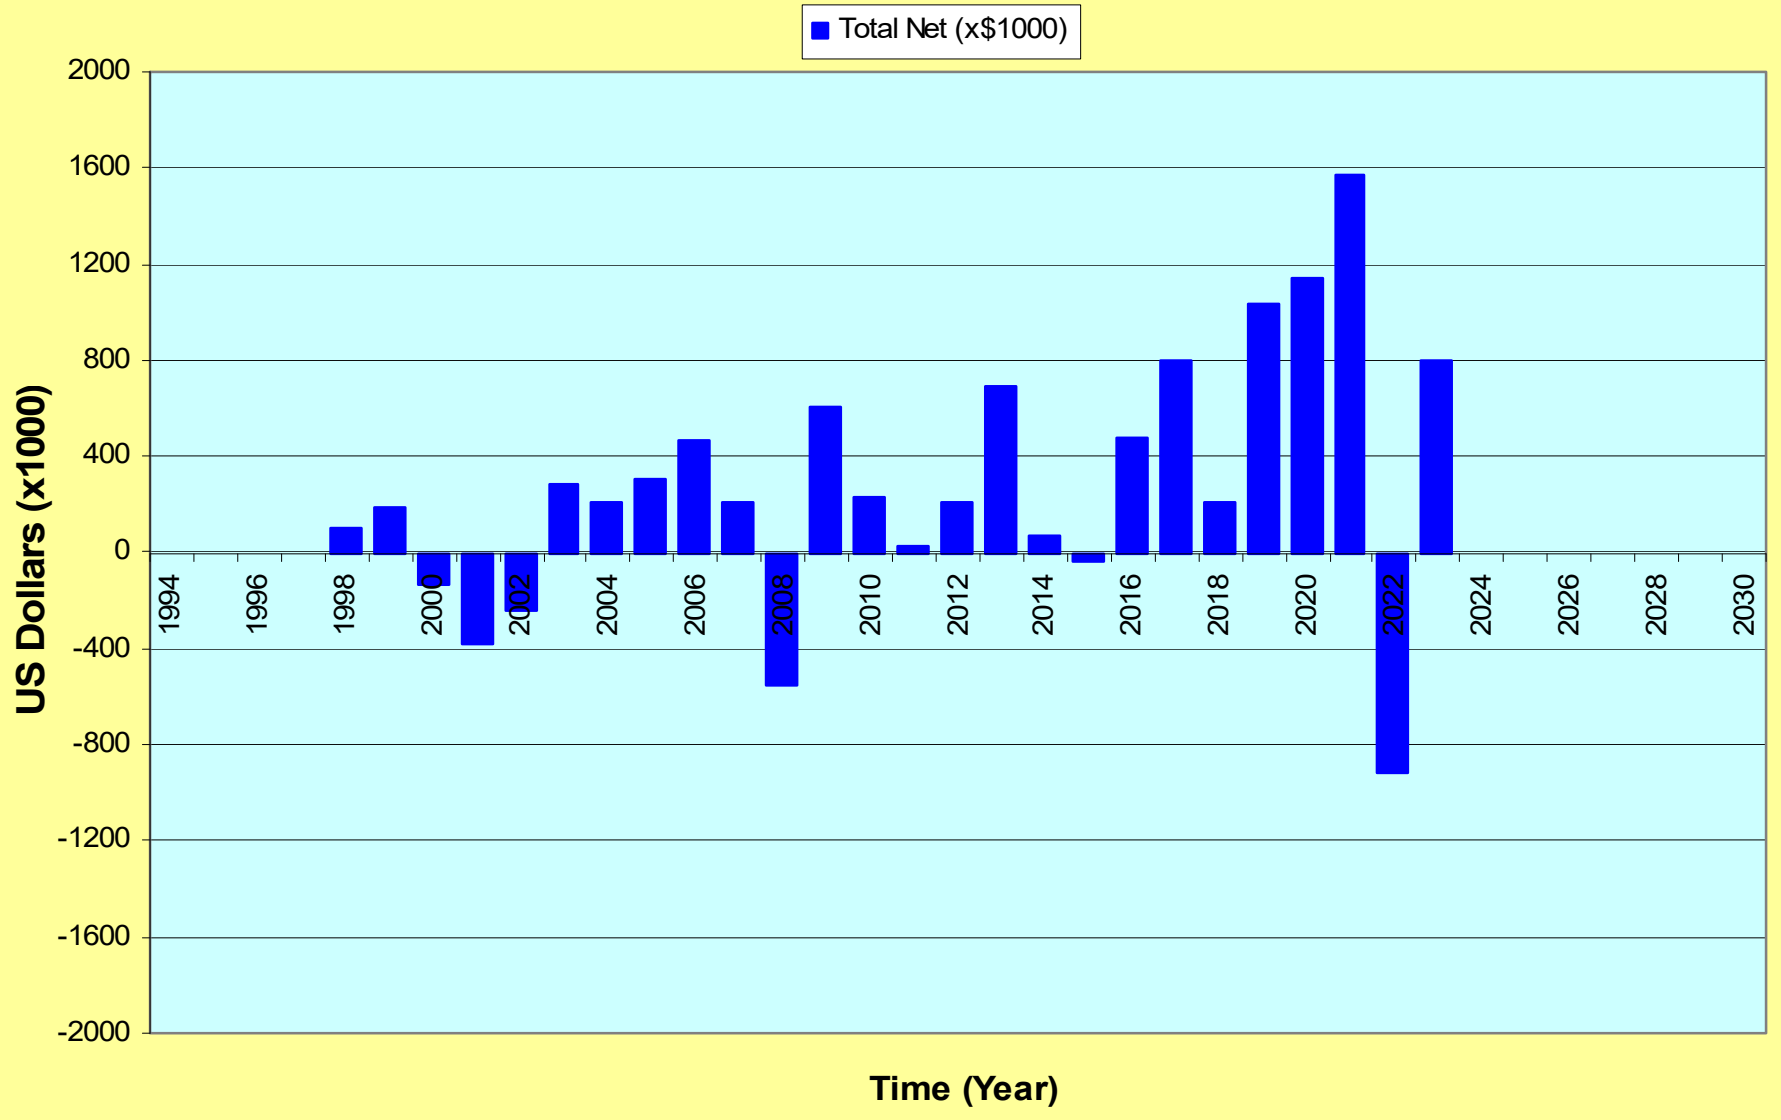

Total Expenses (including investment gain/loss) of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - "0" values mean that data are not available for those years

■ Total Expenses (Include Investment Gain/Loss) (x\$1000)

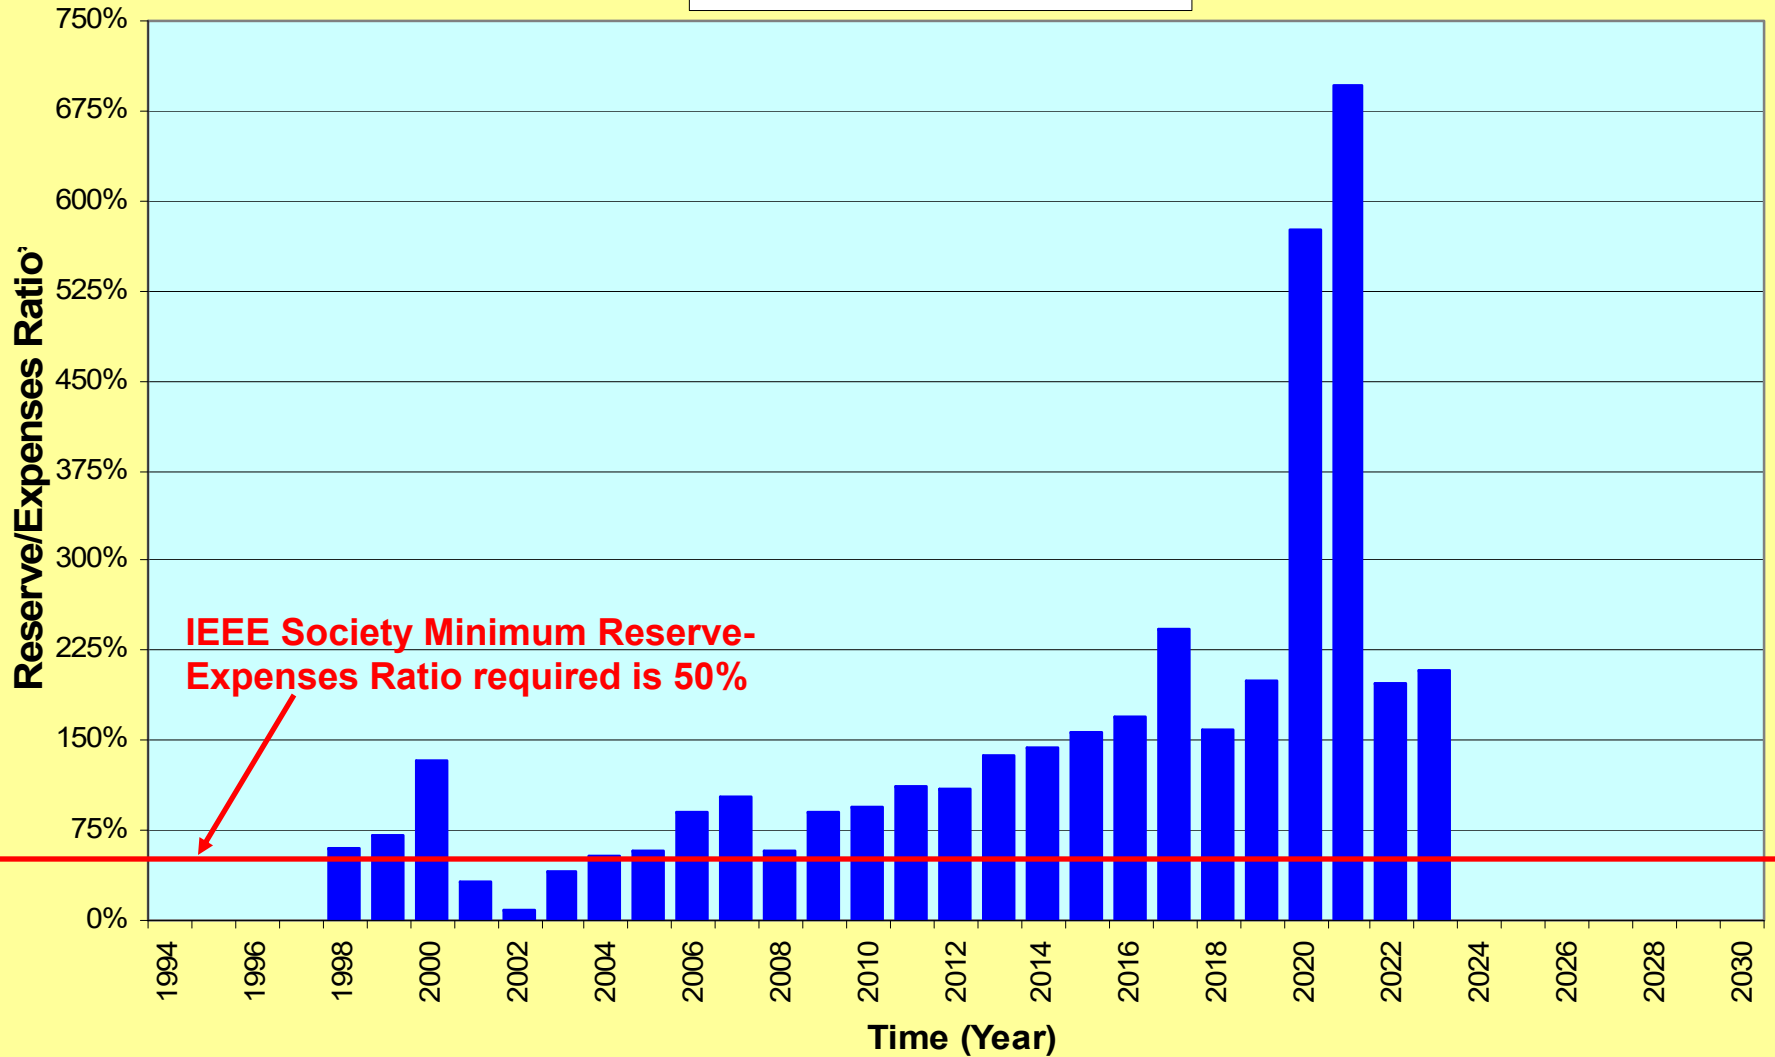

Total Net (including investment gain/loss) of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - "0" values mean that data are not available for those years

Reserve/Operation-Expenses Ratio of the IEEE Ultrasonics, Ferroelectrics, and Frequency Control Society (UFFC-S) (Since 1994) - Minimum Ratio Required by IEEE Is 50% - "0" values mean that data are not available for those years

■ Reserve / Operation-Expenses Ratio

IEEE Society Minimum Reserve-Expenses Ratio required is 50%
