LISAT*2014*

Tenth Anniversary of IEEE Long Island Systems, Applications and Technology Conference
## Friday, May 2, 2014
Held at the Farmingdale State College of the State University of New York
Farmingdale, NY

CALL FOR PAPERS, PRESENTATIONS, EXHIBITORS and STUDENT PAPERS - EXTENDED

The Long Island Systems, Applications and Technology (LISAT) Conference features several parallel professional tracks including topics in systems, applications, and technology; a PDH program and an Exhibition. We are soliciting submissions for participation in both the technical program, applications program, and the exhibition, and are interested in papers, presentations, and exhibits that showcase the development and use of technology by local organizations. LISAT 2014 will also provide the opportunity for select student papers to be presented. Undergraduate and graduate students are encouraged to submit papers in an area of their interest or current work.

Preliminary acceptance to the technical program will be based on a 300-to-500-word abstract. Authors of accepted abstracts shall be required to provide a six (6) page IEEE standard manuscript for publication in IEEE *Xplore*, and will be required to make a Power Point ™ presentation at the conference. Manuscripts are subject to the LISAT Technical Program Committee's peer review and may require revision prior to final acceptance. Important dates for the Technical Program are:

LISAT*2014* Important Dates	
Abstracts Due	**Feb 14, 2014**
Notification of Accepted Abstracts	**Feb 21, 2014**
Manuscripts for Publication and Copyright Releases Due	**March 28, 2014**
Notification of Acceptance of Manuscripts (subject to final edits)	**April 11, 2014**
Presenter Registration	**April 18, 2014**
Final Manuscript Edits, Bios, and Power Point Due	**April 18, 2014**
LISAT2014 Conference	**May 2, 2014**

Detailed instructions on submission, manuscript and presentation templates, and information on the conference are available on the LISAT web site at **www.ieee.li/lisat** . Manuscript format must agree with requirements specified in the Author's Kit which will be made available.

Each presentation will be 20 minutes long followed by 5 minutes of Q&A. One presenting author for each paper will be allowed to register at a discounted rate. At least one author must register for the conference ***for each paper/presentation***. *If one presenter is presenting multiple papers, then multiple registrations are required.* A limited number of tutorial and application presentations which will not be published by the IEEE may also be accepted.

LISAT has a strict "No Podium, No Publish" policy. "Manuscripts will only be submitted for publication in IEEE Xplore if a presentation is made at the Conference."

LISAT encourages submissions from all areas of engineering, science, and technology. Past topics have including homeland defense, alternate energy sources, green building technologies, mobile communications, computer and network security, microwave technology, electromagnetic compatibility, mobile ad hoc networking, sensor fusion, antenna systems and processing, radio locationing, radar systems and techniques, climate control, and biomedical engineering.

*For information on **Exhibiting** at LISAT, please contact: Gil Lipper at **gil.lipper@atm1.com** .**For all other information** contact LISAT2014 Conference Co-Chairs: Dan Rogers at **drogers@ieee.org** and Dave Mesecher at **d.mesecher@ieee.org**, Conference Chair of Technical Program Committee: Dr. Ronald Pirich at **rpirich@gmail.com** or Conference Chair: Charles Rubenstein at* **c.rubenstein@ieee.org** *.*

Releases and Approvals: *This conference will be unclassified and attended by both US and non-US persons. It is the author's responsibility to obtain all required company and government releases and approvals prior to making a paper submission. A statement that such releases and approvals have been obtained as well as a completed IEEE Copyright Form (signed by the submitting author) must accompany the manuscript of each accepted paper.*
