Events – Fall 2009

Bowling at the Bog – Student/Professor Mixer, co-hosted with IEEE

A bowling night was hosted for students in IEEE and HKN to get a chance to socialize with their professors. The event brought 2 professors and 15 students for a night of bowling and good music.

Person hours: 10

Information Session

An information session was held mid-way through the semester, which was attended by five prospective members. The event provided valuable information to these students in the matters of the real-world benefits gained by joining HKN.

Person hours: 8

Induction Ceremony

The ceremony took place in the large lecture hall of the ECE department. Four of the initiated faculty attended this momentous initiation of our new members. A banquet followed, as well as a formal election for new members. The banquet was a great time for socializing with the new members and faculty.

Person hours: 15

Events – Spring 2010

PCB Layout Workshop

Co-hosted with a member of IEEE, this technical workshop was attended by a few students who were taught important techniques in practical PCB layout design using EagleCAD. The workshop was held in a computer lab and lasted one hour.

Person hours: 5

Graduate Student Ice Cream Social

An exciting social event was held in the lobby of the ECE dept. building – the graduate students in our department were invited to join us and HKN faculty for some ice cream. We introduced them to the organization and answered any questions they had about our purpose, activities, and mission.

Person hours: 15

Induction Ceremony

Attended by three faculty members. The induction was performed perfectly, and followed by a banquet of sandwiches and appetizers.

Person hours: 15

Northrop Grumman Company Tour

We hosted a once-in-a-lifetime opportunity to see the inside of a Northrop Grumman (Defense electronics contractor) facility in Rolling Meadows, IL. 28 Students were taken on a fascinating and inspiring tour of the manufacturing plant and labs. It was a large success, and all spots were filled very quickly.

Person hours: 30
