October 13, 2010

Dear: HKN National,

Enclosed is the annual chapter report for the Epsilon Beta chapter of Arizona State University. 2009-2010 was another extremely successful year for our chapter, with continued growth in both the range of our activities and the size of our member base. The enclosed report highlights our activities of the previous year and looks ahead to future goals of the chapter.

We hope to be considered for the Outstanding Chapter Award, and believe our efforts over the past year give the chapter an excellent chance of continuing receipt of this award for a 4th consecutive year.

Sincerely,
Garrett Schlenvogt
Epsilon Beta Chapter Recording Secretary
