

May 2018 NH IEEE ExCom Meeting

Meeting Summary

Meeting Date: May 10th

- The Northeast Area Chair, Harold Belson, met with the Chapter and shared the goals and vision of the IEEE MGA. He reminded us that **IEEE** mission is to Inspire, Enable, Empower, and Engage Members.
- Notice for IEEE Region 1 2020-2021 Director Elect/Delegate Elect position. Election requirements include a personal bio, position statement, and statement of willingness to server. Email Ron Tabroff r.tabroff@ieee.org if you have any questions.
- MTT-S / AP-S Joint NH Chapter will be hosting a list of interesting technical talks: Dave Adamy Talk on “Electronic Warfare”, Dr. Huno Carvalho talk on “Energy Efficient Future Wireless Communications”. More information on Vtools.
- Do you want to mentor and inspire? Well, Life members are hosting a STEM Volunteer Panel to discuss ways to volunteer in the community. Come join the talk. Share your experience. Or maybe learn a few lessons.
- IEEE paired up with TEDx. Don’t miss this TEDx event – It’s Complicated.
- Visit <http://ieee-nh.org/> for more information about what IEEE NH is doing.
