

As a part of our efforts to keep you informed about hiring events in our area, we thought you might like to know General Dynamics is holding an open house hiring event this Tuesday and Wednesday May 10th and 11th at the Sheraton in Eatontown, NJ.

For more information please visit <http://www.jobcircle.com/gendynamics> or read on!

Here is a Special Invitation from General Dynamics C4 Systems:

We're pleased to extend an invitation to interview in Eatontown, NJ with hiring decision makers at the General Dynamics C4 Systems' Open House Hiring Event. Our Shrewsbury, NJ facilities are growing and we also have many opportunities in our Columbia, MD, Scottsdale, AZ, and Taunton & Needham, MA offices.

It's an exciting time at General Dynamics C4 Systems! Due to recent contract awards, to include JTRS Cluster 5 and MUOS, we have intensified our search for experienced and dedicated Engineers. Discover how you can work alongside other engineering professionals to enhance U.S. military communications capabilities to ensure the safety of our families and our nation for decades to come.

We invite you to stop by our engineering hiring event where managers will discuss current engineering opportunities and conduct interviews on:

This Tuesday & Wednesday May 10 & 11  
10am-2pm and 4pm-7pm both days  
The Sheraton Eatontown Hotel  
6 Industrial Way East (at Route 35)  
Eatontown, NJ 07724  
Travel directions only 732.542.6500

Important: All applicants must be US Citizens and capable of obtaining a DoD Security Clearance and have a BS degree in Electrical Engineering, Computer Science, Computer Engineering or related engineering area. If attending the job fair, please bring 5 copies of your resume with you.

Exciting Employment Opportunities exist in these areas: Spectrum Astro Space Systems, Military Communications, Military Radios, Signal Intelligence, Information Assurance, Space Payload Systems, and C4ISR.

Current openings include:

- C4ISR Systems Engineers and Architects
