

IEEE MTT / AP Joint Chapters Society Meeting:

Tour of the Laboratory of Laser Energetics

Date:

**Monday,
10 / 13 / 2014**

Time:

1:45 P.M. to 3:30 P.M.

Location:

**University of Rochester
Laboratory for Laser
Energetics
250 E. River Rd,
Rochester, NY 14623**

***Assemble at the
west entrance
(entrance with
the flag pole) at
1:45 P.M. Tour
starts promptly
at 2:00 P.M.***

Space is limited

- A maximum of 25 guests are allowed on the tour.
- Please register to reserve your space for the tour.

The Rochester MTT / AP Joint Chapters Society invites **members & non-members** to take a **tour** of the University of Rochester's

Laboratory of Laser Energetics

- The Laboratory for Laser Energetics (LLE) was established in 1970 as a center for the investigation of the interaction of intense radiation with matter. The LLE conducts theoretical and experimental research in:
 - computational astrophysics
 - high-energy-density physics
 - inertial confinement fusion
 - laser-plasma interaction
 - radiative hydrodynamics
 - plasma astrophysics
- The tour begins at 2:00 P.M. and lasts between 1 and 1.5 hours.
- Please register for the meeting:
<https://meetings.vtools.ieee.org/m/28327>
- If there is sufficient interest, the society may provide transportation from RIT and/or UofR. Please e-mail G. Pettis (gpettis@harris.com) with your interest.
- For further information visit:
