

Microwave Theory and Techniques & Antennas and Propagation Society Meeting

Date: 12/11/2012

Time: 6:00 – 8:00 P.M.

Place: R.I.T.

Kate Gleason College of Engineering, Gleason Building
Room: 09-3119

PIZZA AND BEVERAGES WILL BE PROVIDED!

BOOK RAFFLE: YOU MUST BE PRESENT TO WIN!

- 1) **Microwave Transistor Amplifiers: Analysis and Design**
- 2) **Handbook of Filter Synthesis**
- 3) **RF Microelectronics, 2nd Ed.**
- 4) **Introduction to Antenna Analysis using EM Simulators**

Society Meeting Discussion Topics:

- 1) Leadership and open positions
- 2) Society activities that will engage the membership in 2013. We want members involved!!!
- 3) Thoughts on the funding of MTT/AP senior design projects.
