E-Week Events

Student Activities

Several colleges in Vermont have planned E-Week festivities of their own. These festivities include competitions, speakers and special presentations.

The University of Vermont will be hosting their annual Edible Car, Egg Drop, Bottle Rocket, and Pasta Bridge Competitions for elementary, middle, and high school students. In addition, two new competitions have been added for this year: the Helicopter Drop and the Hangar Roof Truss. It will be fun for all who attend. Competitions will be held **Thursday, February 2nd from 8:00 am to 12:00 pm at the Vermont Air National Guard**. If your son or daughter is interested in signing up for the competitions, or if you are merely interested in attending, please contact **Dawn Densmore**, densmore@cems.uvm.edu or visit <http://www.emba.uvm.edu/EWeek>.

Norwich University will be conducting their annual E-week activities including a 2 Person Sled Relay, Snow Sculptures, and Engineer Athletics throughout the week. The events will conclude with a Student Engineering Banquet and a keynote speaker. For more information contact **Carol Stephens** at cstephen@norwich.edu or 485-2278.

Order of the Engineer

This ceremony is an opportunity for an engineer to formalize his or her commitment to the engineering profession. This year's ceremony will be held in **101 Fleming Museum, University of Vermont on Friday, February 23**, and will begin at **4:30 p.m.** Parking will be available in the Votey Hall parking lot. If you're interested in participating, please come prepared with a ring size for the little finger on your writing hand. For more information please contact **Gail Currier** at **656-8157** or gail.currier@uvm.edu.

Engineers Week Banquet

Engineers Week festivities will close with the annual Banquet. It will be held at the Hampton Inn and Conference Center in Colchester, Vermont on Friday, February 23.

Representatives from Green Mountain Coffee Roasters (Waterbury, VT) will be this year's keynote speakers. GMCR will present their coffee manufacturing process, lean manufacturing concepts, and their "Fair Trade" practices. If you're a coffee drinker, they may have free samples for you to take home.

The Reception will begin at 5:30 pm. Dinner will be served at 6:30 with awards and presentation to follow.

The cost is \$35 (\$20 for students). If you wish to only attend the presentation without dinner, the cost is \$10.00. Please **RSVP to Shelly Siskavich or Jill Marsano by Feb. 16th at ssiskavich@forcieraldrich.com or 879-7733.**

Engineers Day Under the Dome

All Vermont Engineers are invited to gather in the **Card Room at the Statehouse on Tuesday, April 17th, 2007 from 8am-2pm**. Representatives from the state engineering societies will be available to discuss issues that are of interest to the engineering community. We welcome all to attend and meet the local professionals dedicated to protecting the health, safety and welfare of the general public.
