## Second Annual UVM S-PAC

Come meet with representatives from local industry to find the job or internship you have been waiting for! Engineers, computer scientists, and professionals from other disciplines from companies in Vermont will be on hand to present who they are, what they do, and where you can fit in. Presentations will be followed up with a meet and greet session with refreshments provided courtesy of IEEE Green Mountain Section.

### Visiting representatives from companies including:

- Microstrain
- IBM
- Draker Labs
- Dynapower
- Hazelett Strip-Casting
- Greensea Systems
- Weidmann
- NRG

**...and many more!**

The  
**UNIVERSITY**  
of VERMONT
