

In this issue, the activities of IEEE Daejeon Section (Jan, 2006 – Feb, 2007) are summarized.

- Daejeon Section Committee Members of 2006-2007
- Annual New Year's Committee Meeting on February 16, 2006
- Foundation of Student Branches
- Dramatic increase of student members
- IEEE Region 10 Student Congress (R10SC) 2006 in Beijing
- Sponsorship of technical activities
- Annual Year-End Committee Meeting on November 30, 2006

#### ■ IEEE Daejeon Section Committee Members of 2006-2007

New board of IEEE Daejeon Section Committee of 2006-2007 was organized in January, 2006. The immediate past chairman, Professor Whan Woo Kim and other past chairmen continued to be members of the committee as officers.

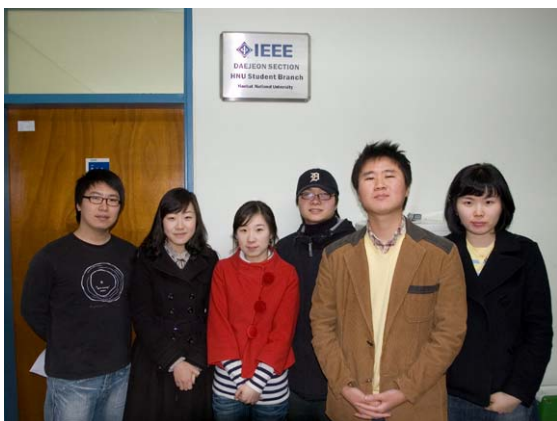

Position	Name	Institution
Chair	Chang-Bong Kim	Kongju National University
Vice Chair	Hyun Kook Kahng	Korea University
Secretary	Bongsue Suh	Kongju National University
Treasurer	Haewon Jung	ETRI
Awards	Jin-Ho Hahm	ETRI
Professional Activities	Dongmyun Lee	KT, Inc.
Membership Development	Jun Kyun Choi	Information & Communications Univ.
News Letter	Keesoo Yeom	Hanbat National University
Student Activity	Hi Deok Lee	Chungnam National University
Educational Activity	Changsoo Eun	Chungnam National University
Officer	Whan Woo Kim	Chungnam National University
Officer	Hyeong Ho Lee	ETRI
Officer	Jong Rak Lee	Korea Polytechnic University
Officer	Dae Young Kim	Chungnam National University
Officer	Chu Hwan Yim	Kwangwoon University

## ■ Annual New Year's Committee Meeting on February 16, 2006

Annual New Year's Committee Meeting was held on February 16, 2006 at Ohyang Sea Food, Daejeon, Korea. In the meeting, there was a lively discussion on the promotion of student activities such as official foundation of Student Branches and invitation plan for new student members.

## ■ Foundation of Student Branches

Four Student Branches were founded at Chungnam National University, Kongju National University, Hanbat National University and Information & Communications University in April, 2006.

## ■ Dramatic increase of student members

As of July in 2006, 251 graduate students had joined IEEE as new student members for five months since the committee meeting in February. The public relations by Student Branches were evaluated very effective helping graduate students find out various benefits from IEEE.

## ■ IEEE Region 10 Student Congress (R10SC) 2006 in Beijing

The 3<sup>rd</sup> IEEE Region 10 Student Congress and the 1<sup>st</sup> IEEE Region 10 GOLD Congress were jointly held on July 13-17 (Thursday-Monday) 2006, at High-tech Mansion Beijing University of Posts and Telecommunications, Beijing, China. Daejeon Section sent approximately thirty members including Professor Chang-Bong Kim (chairman), Professor Bongsue Suh (secretary) and five students. The IEEE Region 10 Student/GOLD Congress was organized by IEEE Region 10 and Beijing Section.

## ■ Sponsorship of Technical Activities

### ▪ 2006 KICS Summer Conference on July 5-7, 2006

Under the sponsorship of IEEE Daejeon Section, the 2006 KICS(Korean Institute of Communication Science) Summer Conference was held on July 5-7 2006 Ramada Plaza Jeju Hotel at Jeju, Korea. About 600 participants joined in the conference.

### ▪ CEIC 2006 on November 10-11, 2006

The 8<sup>th</sup> CEIC (Conference on Electronics & Information Communications) was held on November 10-11 (Friday-Saturday), 2006 under the joint sponsorship of IEEE Daejeon Section, IEEK (The Institute of Electronics Engineers of Korea) and KICS (Korean Institute of Communication Science) at Onyang Hot Spring Hotel. IEEE Daejeon Section presented an award for distinguished paper as well as financial support.

▪ **IEEK Hoseo Branch Conference on November 10, 2006**

IEEK Hoseo Branch Conference was held on November 10 under the sponsorship of IEEE Daejeon Section at Sun-Moon University, Asan, Chungnam, Korea. In the conference, Professor Bok-ki Kim lectured on accreditation for engineering education.

▪ **Successful ICACT2007 on February 12-14, 2007**

The 8<sup>th</sup> and 9<sup>th</sup> International Conference of Advanced Communication Technology (ICACT 2006 and 2007), together with the technical sponsorship of IEEE Daejeon Section, were held so successfully at Phoenix Park, Korea on February 20-22, 2006, and on February 12-14, 2007 individually. The ICACT 2006 consisted of 79 technical sessions with 442 papers from 27 countries and an invited session, where 427 participants joined. The ICACT 2007 provided 426 participants with 70 technical sessions of 432 papers from 26 countries and an invited session with remarkable world experts. ICACT 2008 will be held with some events for our 10<sup>th</sup> anniversary on Feb. 17-20, 2008 at the same place. (<http://www.icact.org>)

■ **Annual Year-End Meeting on November 30, 2006**

Annual Year-End Committee Meeting was held on November 30, 2006 at Ohyang Sea Food, Daejeon, Korea. In the meeting, the annual program for 2007 was discussed. All the details will be reported and confirmed in the next meeting in February, 2007.
