

**Memorandum of Understanding  
Between  
The Institution of Electronics and Telecommunication Engineers  
(IETE)  
and  
The Institute of Electrical and Electronics Engineers, Inc  
(IEEE)**

To encourage the exchange and dissemination of technical information, and to promote understanding and cooperation between the members of The Institution of Electronics and Telecommunication Engineers (IETE), and the Institute of Electrical and Electronics Engineers, Inc (IEEE), these organizations have entered into an agreement on the following matters:-

**1. VISITING MEMBERS**

When a member of the IETE visits outside India in a location/ country where the IEEE has a Section, or a member of the IEEE visits India, for a period not exceeding one year, they shall be given the opportunity to avail themselves of the facilities, services and programs of the other institution under the same conditions as those granted to members of the host institution.

To arrange for the privileges of a visiting member, the member's home institution should submit a written request to the host institution at the address shown at the end of this document of the visiting member. Upon arrival, the visiting member should present the host institution with a letter of introduction or membership card, for identification purposes. The host institution will then register the visiting member to entitle them to member privileges during their visit.

**2. JOINT ACTIVITIES**

The IEEE and IETE may, subject to agreement on specific items, enter into joint projects, events and products such as conferences, forums, publications, history, standards, educational materials etc. Joint activities devoted to preserving and sustaining the environment, teaching maths and science to children, improving technology awareness in the general public, and improving the image of engineers and the profession will also be explored.

The Technical Societies of the IEEE and IETE are encouraged to develop joint activities, based on additional individual agreements, including co-sponsorship of conferences, joint publications, exchange of technical papers and lectures, translations etc. It is anticipated that the IEEE Delhi Section will participate in these joint activities.

**3. COORDINATION OF TECHNICAL MEETINGS**

Plans and schedules for international conferences and major events will be exchanged between the IEEE and IETE.

To the extent practical, consultation will take place when it is proposed to conduct a major conference or event in India by the IEEE or outside India by IETE.

#### 4. PUBLICATIONS EXCHANGE

By mutual agreement, certain publications may be exchanged between the IEEE and IETE. Both parties agree to prominently display sample copies of publications by the other party in their respective libraries for examination and review by members. Members of one organization may receive certain publications of the other organization at reduced rates.

Periodicals for which a reduced subscription rates are available to one organization's members, will be available to the other organization's members at a reduction of 20% of the non-member rates.

The Proceedings of the IEEE will be available to members of IETE at the "sister-society" rate.

Single copy publications, for which a reduced price is available to one organization's members, will be available to the other organization's members at a reduction of 20% of the non-member rates.

Copying of this information either hard copy or electronic is not allowed.

#### 5. STANDARDS INFORMATION

IEEE and IETE agree to exchange information on their respective standards activities, and agree to encourage mutual participation in standards development.

#### 6. MEMBERSHIP

To implement the cooperation between the IEEE and IETE resulting from this agreement, it is desirable to encourage students, scientists, and electrical/ electronic engineers of each institution to become members of both institutions by granting advantageous membership dues rates. For the term of this agreement a 10% discount of the basic membership dues will be allowed on IETE dues and IEEE basic dues and the Region 10 Assessment. This discount does not apply to additional fees, such as IEEE Society enrolments or subscriptions to other IEEE publications, which may be available during the term of the agreement.

This discount does not apply to dues already discounted from the full value.

The IEEE and IETE agree to advertise these discounts in a joint membership development campaign.

#### 7. REVIEW, AMENDMENT AND TERMINATION

Amendments to the agreement may be proposed at any time, but will not be valid until they have been approved by both the IEEE and IETE.

Other cooperative agreements, which may be made in the future, such as between IETE and a Technical Society of the IEEE, shall be documented in a supplement to this agreement.

The term of this agreement shall be for a fixed duration of three(3) years from 01 Jan 2005 to 31 Dec 2007, subject to termination by both parties on three months notice in writing. Renewal is contingent upon approval by both institutions.
