Robotics and Automation Society and Education Activity Society of IEEE Madras section organised a one day workshop on “EMBEDDED SYSTEM AND ITS APPLICATIONS USING PROGRAMMABLE SYSTEM ON CHIP” at Kumaraguru College of Technology, Coimbatore on 31st March 2014.

Thus the IEEE Education society and IEEE Madras section along with the IEEE KCT student branch organized a one day Workshop on “Embedded system and its applications using Programmable system on chip” in Kumaraguru College of Technology, Coimbatore on March 31st 2014. The workshop had a theoretical exploration about embedded systems and its applications and modeling software & hardware. The workshop was inaugurated at 10.00 am on March 31st 2014 by Dr. P A Manoharan, Chairman (RAS), IEEE Madras Chapter and Dr. Ramalatha Marimuthu, Chair of IEEE WIE Affinity Group.

and Mr.Karthick Mahaligam,

The workshop started with the enlightening talk by Dr. Ramalatha Marimuthu, and Dr. P. A. Manoharan. Next part was taken cover by Mr. Karthick Mahaligam who discussed on the designs of embedded systems and its real time applications and details about the hands on session. Afternoon session, Mr. Karthick Mahaligam, Design Partner Program Manager, CSC, Bangalore, provided informative hands on training to the participants by dividing them into group. The total number of participants who attended the workshop is 85. The attended participants are students from various colleges including Ramakrishna Engineering College, Avinashilingam University and also from Kumaraguru College of Technology.
