**Speaker:**

**Simon Moutter CEO, Telecom NZ**

Simon Moutter is the CEO of Telecom New Zealand. As CEO he's responsible for the overall leadership and strategic direction of the company that provides mobile, broadband and IT services in NZ and Australia. Simon has previously been in senior positions in a variety of NZ companies, including CEO of Auckland Airport and Powerco.

Simon will talk about the global technology revolution that is underway, including where Telecom is heading, and how this might apply to the potential career decisions and opportunities for young technical professionals.

*Organised by IEEE NZ Central GOLD and IPENZ*
