CALL FOR PAPER

The IEEE International Women in Engineering (WIE) Conference on Electrical and Computer Engineering 2015 (WIECON-ECE 2015) is organized for the first time to bring together individuals, especially women personnel conducting research and professional activities in the area of ECE to share and present their latest ideas and findings. WIE Affinity Group, IEEE Bangladesh Section (BDS) has taken this initiative in collaboration with IEEE BDS with a theme "Contribute and Continue Research and Innovation-Achieve Professional Excellence Beyond Yourself". The conference will be held in Dhaka, Bangladesh during December 19-20, 2015. Topics include but are not limited to:

- Antenna, Microwave & RF Engineering
- AI, Computer Networks & Security
- Biomedical Engineering & Bioinformatics
- Cloud, Big Data & ICT
- Computer Architecture & Systems
- Computer Vision, Graphics & HCI
- Devices, Materials & Processing
- Electrical Machines & Drives
- Multimedia Engineering
- Nano & Semiconductor Technology
- Photonic Technologies & Applications
- Power Electronics
- Power System & Renewable Energy
- Robotics, Control & Automation
- Software & Database Systems
- Signal, Image & Video Processing
- VLSI, Circuits & Systems
- Wireless & Optical Communication

Prospective authors are invited to submit full paper using the online paper submission system. Each paper should have at least ONE female author. All accepted and presented papers will appear in IEEE Xplore. There will be best paper awards and travel grants.
