

IEEE NZ Wireless Workshop 2016

The IEEE New Zealand Wireless Workshop is NZ's premier wireless workshop and brings together industry professionals, start-ups, academics, research institutes and post graduate students for one day to discuss technologies and issues of interest to the wireless community in NZ. The day consists of a series of presentations from participants with a lot of opportunity for informal discussions and networking.

Venue: Callaghan Innovation, Gracefield Campus, Lower Hutt
Date: Friday 2 September, 2016
Time: 9.30am – 5.30pm
Cost: Free

As always, we encourage expressions of interest from speakers in industry, government and academia.

To keep this event free of charge we run a tight budget but still require financial support to cover unavoidable expenses. Please email the organisers if you would like the opportunity to promote your business by sponsoring this event.

Key Dates

Workshop: Friday 2 September, 2016
Expressions of interest from presenters: By Friday 12 August, 2016
RSVP for attendees: By Monday 22 August, 2016

Please send RSVPs and questions to Sudhir.Singh@callaghaninnovation.govt.nz
