IEEE New Zealand Central Section
IEEE Student Branch
Victoria University of Wellington
Postgraduate Presentation Day

Wednesday, 5th of September, 2018

As part of the IEEE New Zealand Central Section, the IEEE Student Branch at Victoria University of Wellington is organizing an annual postgraduate student presentation event. The one day event will showcase postgraduate research in any of the IEEE fields of interest from Victoria University of Wellington and Massey University.

The event will provide post-graduate students with an opportunity to present their research. The three best presentations will be recognized and awarded. Participants will also be eligible to apply for a grant to the section to cover their IEEE student membership for a year.

The event is also an excellent networking opportunity for fellow students and peers. Each student presentation is aimed to be approximately 10 minutes including questions and discussions.

Interested students should contact their student branch chairs;

- Arif Ahmed (Victoria University of Wellington). Email: Arif.Ahmed@vuw.ac.nz
- Chanjief Chandrakumar (Massey University). Email: C.Chandrakumar@massey.ac.nz

Should there be any queries, please contact Arif Ahmed or Chanjief Chandrakumar.
