Representing the ITEES Panel

Will they make an impression on you?

Join us at the **IET's Present around the World competition**, and expand your knowledge about engineering and technology.

Support your peers who are battling it out to win a place at the final and **£1000 cash**. Watch the presentations, ask questions and see who goes through to the next round of the competition.

The IET Western Australia Local Network would like to invite engineers, students and university staff to attend this year's annual Present Around the World Competition. Students from the local universities and Young Professionals from local companies will be competing by presenting on an engineering or technology topic of their choice.

The WA winner will be awarded \$260 and a flight to the eastern states to compete in the national finals next year while the first runner up will receive \$175. The WA winner and first runner up will also receive a year's free membership to the IET.

If you have any further questions please contact the IET WA Young Professionals Chairperson, Robert Moore, at robert.moore@theiet.org

RSVP: Please register your attendance at
