IEEE Young Professionals is an international community of enthusiastic, dynamic, and innovative members and volunteers.

IEEE is committed to helping young engineering and technology professionals make a smooth transition from university life to the professional world.

This interactive workshop will show you:

- Effective Résumé/CV and Cover Letter writing
- How to be prepared for an interview
- How to develop effective answers
- Questions to ask and not to ask
- How to get noticed in group activities
- Introduction to the Mentor programme

A mock interview section and mock assessment centre activities will provide the opportunity to practice your interview skills.

This workshop will be concluded with a networking session.

Refreshments will be provided during the event
