March 30– April 2, 2017

Embassy Suites Charlotte / Concord

Call For Papers, Tutorials, and Workshops

IEEE SoutheastCon is the annual IEEE Region 3 Technical, Professional, and Student Conference. The conference brings together Computer Scientists, Electrical, and Computer Engineering professionals, faculty and students to share the latest information through technical sessions, tutorials, exhibits, and student competitions. Submit your technical paper, tutorial, or workshop through the conference website for peer review and consideration. Questions regarding paper submission and the technical program should be directed to our Technical Program Chair (details below).

Scope of the Technical Program

IEEE SoutheastCon 2017 invites prospective authors to submit their technical work on all aspects of engineering, science, and technology of current interest to the conference. The conference technical program includes but is not limited to the following technical categories:

- **The Internet of Things**
- Cybersecurity & Information Assurance
- Health Informatics and Healthcare
- Communications and Networking
- Control and Automation
- Embedded Systems
- Nanotechnology and Materials
- Signal and Image Processing
- Big Data and Warehouse Architecture
- Applications and Interdisciplinary
- Software Engineering
- Sensor Networks
- Electromagnetics and Microwaves
- Geosciences and Remote Sensing
- Robotics and Computer Vision
- Simulation and Game Development
- Bioengineering and Bioinformatics
- Optics and Optoelectronics
- Devices and Semiconductors
- Instrumentation & Measurements
- Social Implications of Technology

Important Due Dates:

Paper Submission: January 20, 2017

Tutorial Submission: January 20, 2017

Notification to Authors: February 15, 2017

Camera-Ready Papers: February 28, 2017

For More Details please visit conference website:
