

Jerry D. Neal, the company's co-founder and executive vice president of marketing and strategic development has over 30 years experience in the RF and wireless communications industry. Before co-founding RFMD, he broadened his knowledge of sales and technical business with 10 years experience in various marketing positions at Analog Devices, Inc. Mr. Neal has authored *Fire in the Belly*, which chronicles the unique story of RFMD - its inception and explosive growth throughout the past decade. Mr. Neal received his ASEE degree from Gaston Technical Institute and North Carolina State University. In 2001 he was awarded the Doctor of Business Management Degree from Southern Wesleyan University. Beyond RFMD, Mr. Neal plays an active role in both the business and education communities and regularly speaks to civic organizations and universities desiring to hear the RFMD story.

Jerry D. Neal

Executive Vice President of Marketing and Strategic Development
