### ORLANDO IEEE NEEDS YOUR MEETING IDEAS!

We have a very experienced leadership team here at the Orlando PES/PEL/IAS Headquarters. Which also means we are running out of ideas for Tours and Presentations.. Don't make us repeat ourselves! We are looking for:

- Interesting and/or Educational Projects or Case Studies (30-60 min format)
- Tutorials for PE Credit (2hr – 4hr – 6hr – 8hr)
- Neat Places to Tour

*Topics don't have to be specifically Electrical Engineering related, just things that all engineers can relate too*

**SEE IF WE HAD ANOTHER IDEA..  
WE'D HAVE SOMETHING HERE...**

### ORLANDO IEEE NEEDS A SECRETARY AND EXCOM MEMBERS!

See the List on the right? We need a Secretary.. We could also use some more Ex-Com members! The only requirements are that you are a member of one of the three chapters. Being Secretary is a great way to get experience with IEEE and to network with a lot of the Orlando area engineers and business!

ExCom meets on the first Monday of the Month at the Panarea Bread on Michigan Avenue just East of Orange Avenue. Social time 6-6:30pm, Meeting from 6:30-7:30pm. *Check with one of the current ExCom members to make sure the time, date or venue hasn't changed.*
