

FES, PINELLAS CHAPTER  
UNIVERSITY OF SOUTH FLORIDA - FEEDS

**2005 Review Seminars; Live and Online**  
**for**  
**PE Electrical and Computer Engineering and EIT/FE Examinations**

The seminars are designed to refresh you on concepts and problem solving. The classes meet one night a week for eleven weeks (FE Review) and thirteen weeks (EE Review). Through a partnership with the University of South Florida, sessions are available to every participant live and by streaming video via the internet for 24/7 access. **The entire seminar will be archived and available via web until after the exams for review anytime; anywhere you have a computer with high speed access and windows media player.**

**FIRST MEETING**

EIT/FE	EE
Monday, July 25, 2005	Thursday, July 21, 2005
6:00 PM	6:00 PM
SEMINAR FEE - \$335	SEMINAR FEE - \$335

The seminars will be held on the main University of South Florida campus in Tampa. (4202 East Fowler Avenue, Tampa, Florida). We have had student participate via the web nationwide.

The next PE and EIT/FE exams will be given on October 28 and 29, 2005, respectively. If you intend to take either exam, you must request, in writing, an examination application form from the **Board of Professional Engineers, 2507 Callaway Road, Suite 200, Tallahassee, FL 32303-5267; Telephone (850) 521-0500, FAX (850) 521-0521.**

The application for examination must be received by the Board of Professional Engineers at least 160 days prior to the examination date and must be complete at least 90 days prior to the examination date. More information is available at <http://www.fbpe.org>.

Send the attached form to pre-register. Order your reference books from Professional Publications. You will receive a 20% discount if ordered through the USF partner site from the FEEDS website, [http://feeds.eng.usf.edu/cont\\_edu/eitfe.htm](http://feeds.eng.usf.edu/cont_edu/eitfe.htm). You may also register at first meeting, but text books may be delayed as much as three weeks.
