Hampton Roads Section Report to Virginia Council - June, 2001

Our section had meetings in April and May. For the last year we have had minimal attendance (5 - 6), but in May we suddenly had 13 at the meeting. At this point we do not know the reason for the increase, but hope it continues when we resume meetings in September.

Lt. Commander J. Greg Gallagher, former Treasurer and former Vice-Chair for the Section, has officially (6-01-2001) left us for the warmth of the sunny South. If anyone has contacts with IEEE in Montgomery, AL., Greg has been a hard working volunteer for us and would be a great asset for that Section.

The Section set up a booth at the Old Dominion University's Women Engineers conference in early May and also at the Electromed 2001 convention held May 21-23 in Portsmouth, VA. Thanks to Bill LaBelle for coordinating these activities.

Our L-50 treasurers report was not approved as originally submitted, but has been corrected and is now approved effective June 4, 2001.

Respectfully Submitted,

Samuel L. Simmons, P.E.
Hampton Roads Chair
