**Virginia Council Membership Report**  
**10 January 2002**

1. Current.

No significant events to report for the past quarter.

2. Future.

Continue I working on algorithms that could project the number of M members that are eligible to apply for senior member status. No easy solution.

Intend on participating in recruiting efforts at the local colleges this spring if the school hold student member drives.

3. Membership Totals.

Except for the Northern Virginia section, IEEE HQ reports the following as of December 2001. Membership totals for Northern Virginia are from June 2001.
