IEEE Embedded System Workshop

October 18, 2014, 8:30 a.m. to 5 p.m. (Saturday)

Dodge Hall – Room 201

Oakland University

Rochester, Michigan 48309

IEEE Region4, South East Michigan Computer Chapter, GLSPIN and Oakland University are offering a one-day (**free**) workshop on Embedded Systems on October 18, Saturday 2014. This is a **free** workshop open to all engineers, students and this is the tenth year of this annual workshop.

The aim of this workshop is to disseminate knowledge, benefit the IEEE members and indirectly **improve the technology and Michigan economy**. Speakers and experts from the embedded systems industry will be making presentations, and will also be available for discussions and networking throughout the day (see page two for a tentative agenda). Please be sure to publicize this event in your organization for maximum participation in this workshop. In addition to presentations, there will be vendor display tables and recruitment tables. Use this opportunity to do networking with other engineers.

Please confirm your participation with Prof. Ganesan by **registering on the web:**

<http://meetings.vtools.ieee.org/m/28753> When responding, please indicate **your lunch preference: turkey, chicken or cheese sandwich**. For Technical questions, contact: **Prof. Subra Ganesan at: ganesan@oakland.edu or by phone: 248 370 2206.**

Register and attend for a chance to win multiple door prizes (Books/ Boards/T-shirts/Tablet)

Dr. Satwant Kaur, First Lady Of Emerging Technologies, will sign/autograph her June 2013 book “Transitioning Embedded systems to Intelligent Environments” and sell at 60% discount \$20/- \$8. She will also raffle 6 copies of her books after her talk.

Certificate of Attendance will be available for participants who do preregistration and attend the full event. we can provide 0.5 to 1 PDHs (Professional Development Hours) for the Embedded Systems Workshop for Computer Society members outside of Michigan. CEU requires a per-person fee of \$18 and the certificates are provided by IEEE Education Board (contact mark.ciechanowski@ieee.org , IEEE SEM if interested)

The Workshop event is live broad casted by **WebEx** (audio and power point) to other IEEE sections and Computer Chapters. It is not for individuals, but for IEEE groups.
