

THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS

INCORPORATED

SECTION CORRESPONDENCE

February Meeting Notice - Wednesday, February 21, 1968 - 8:00 p.m.

Place: To be held in the Auditorium of the Rochester Methodist Hospital
(Across the street from the Kahler Hotel and Mayo Parking Ramp).

Program: Mr Robert Lillestrand, Aerospace Specialist, Control Data Corp., will discuss his participation in the Artic Research Program. His job involved exact location of the North Pole during an expedition. He will present color slides of the expedition and discuss the scientific objectives of the research program. (See Jan 1968 issue of RADIATOR for additional details)

A dinner preceding the formal meeting will be at the Town House restaurant starting at 6:00 p.m.

Notice: Since Feb 18-24 is National Engineering Week, show your interest in your Engineering Organization; attend your IEEE meeting.
