March Meeting Notice

Date: Wednesday, March 27, 1968

Place: Hollands Cafeteria, 216 First Avenue SW, Rochester

Dinner: At 6:30 p. m. the Southern Minnesota Section of IEEE will host the members of the Engineers Club of the Rochester Junior College to a family style dinner catered by Lester Decker. The dinner will cost \$2.50 per plate including tip.

3/23/68

We are planning to have at least one engineer sponsor a student and be his host for the evening. If you plan to attend the dinner, please contact (phone or write before March 20):

Myron D Schettl
Phone: 286-6263
Dept 454 Bldg 020-3
IBM Rochester

It is important to provide Mr Decker with the number of attendees by March 20.

Program: The discussion topic for the evening beginning at 7:45 p. m. in the upper meeting room at Hollands will be presented by Mr John G Curry, Chief Evaluation Engineer, Honeywell Corp, Minneapolis, Minn. He will discuss "What is Engineering in Industry all about".

Notice: Please return last month's questionnaire so that we may plan our meetings to suit our members. Only 19% have been returned.
