

SECTION CORRESPONDENCE

Sept. Meeting Notice : Wed. Sept. 24, 1969

24

Place : Waters Conley Co.
501 NW 1 Ave.
Rochester

Enter at front door and follow signs.

Time : 7:30 PM

Program : Since this is the first meeting for the fall season, the Nominations Committee will present the new slate of nominee's for office in 1970. If you have your own nominee please bring his name to this meeting as the Oct. meeting is our annual election meeting. Also, we would greatly appreciate any suggestions for meeting subjects and meeting places (the later is meant for those of you out of the Rochester area who would like to have a crack at their own technology meeting).

Mr. Ross Brown will host the technology program for the Sept. meeting and provide a tour of the location featuring the stereo and hi-fi line of TELEX-PHONOLA.

See you all there.
