

## **IEEE Southern Minnesota Section Meeting**

At our September meeting, Doug Marlow of TCI Network Solutions, Chicago, will present an overview of technological developments within the cable TV industry -- including the possible implementation, in some markets, of high-speed data and other telephony applications.

***Date:*** Monday, September 15  
***Time:*** 6:30 p.m. -- *pizza & video*  
7:00 p.m. -- *presentation*  
***Place:*** Mayo Medical Sciences Building  
321 3rd Avenue SW  
Rochester, MN
