Subject: Photovoltaics – New Technology and Market

Speaker: Jack Peurach – Vice President, Product Development, PowerLight

In addition to Taxes, one thing we can count on is Sunshine. Our speaker for November, Mr. Jack Peurach, PowerLight, will review the latest solar technology and will provide an overview of the Photovoltaic Market. The discussion will focus on how new technology is changing to address the challenges of the Solar Power market. Success stories include a 10 MW solar plant in Bavaria, Germany, an 11 MW plant in Portugal, Fed Ex in Oakland, and Microsoft in Mountain View. The Solar Power Industry provides solutions for the residential, commercial, public sector, and power production markets.

Our speaker for November is **Jack Peurach**, PowerLight. Jack holds a Graduate Degree in Mech. Engr. from Cal, and an MBA from Wharton. Mr. Peurach has over 12 years of experience in machine control industry and the Management Consulting world. Mr. Peurach joined Powerlight 2 years ago where he now serves as Vice President, Product Development. PowerLight is a global supplier of large scale solar power systems, with offices in Berkeley, California.

Please join us in welcoming our speaker to San Francisco for what is sure to be an interesting and productive session.
