Please come and join the San Francisco Power & Energy Society (PES) and Industry Applications Society (IAS) for a private tour of AT&T Park, home of the San Francisco Giants.

The private tour will include a Q&A session with a guest speaker from AT&T Park's IT Department to discuss the technical features and game-day challenges of the park. In addition the group will take a private tour through areas of the park, including the View Level, Luxury Suites, and the Promenade Level. During the course of the tour, the group will get a chance to watch the Giants take batting practice as they prepare for the New York Mets!

Tickets to the 6pm game is available under a group ticket rate. Tickets are on first come first serve basis, and are limited. Please see the attached flyer for more details.
