

Using SAMIEEE for Chapter Member Information

SFBAC Officers Training February 2008

**Allen M. Earman
2008 SCV Section Treasurer**

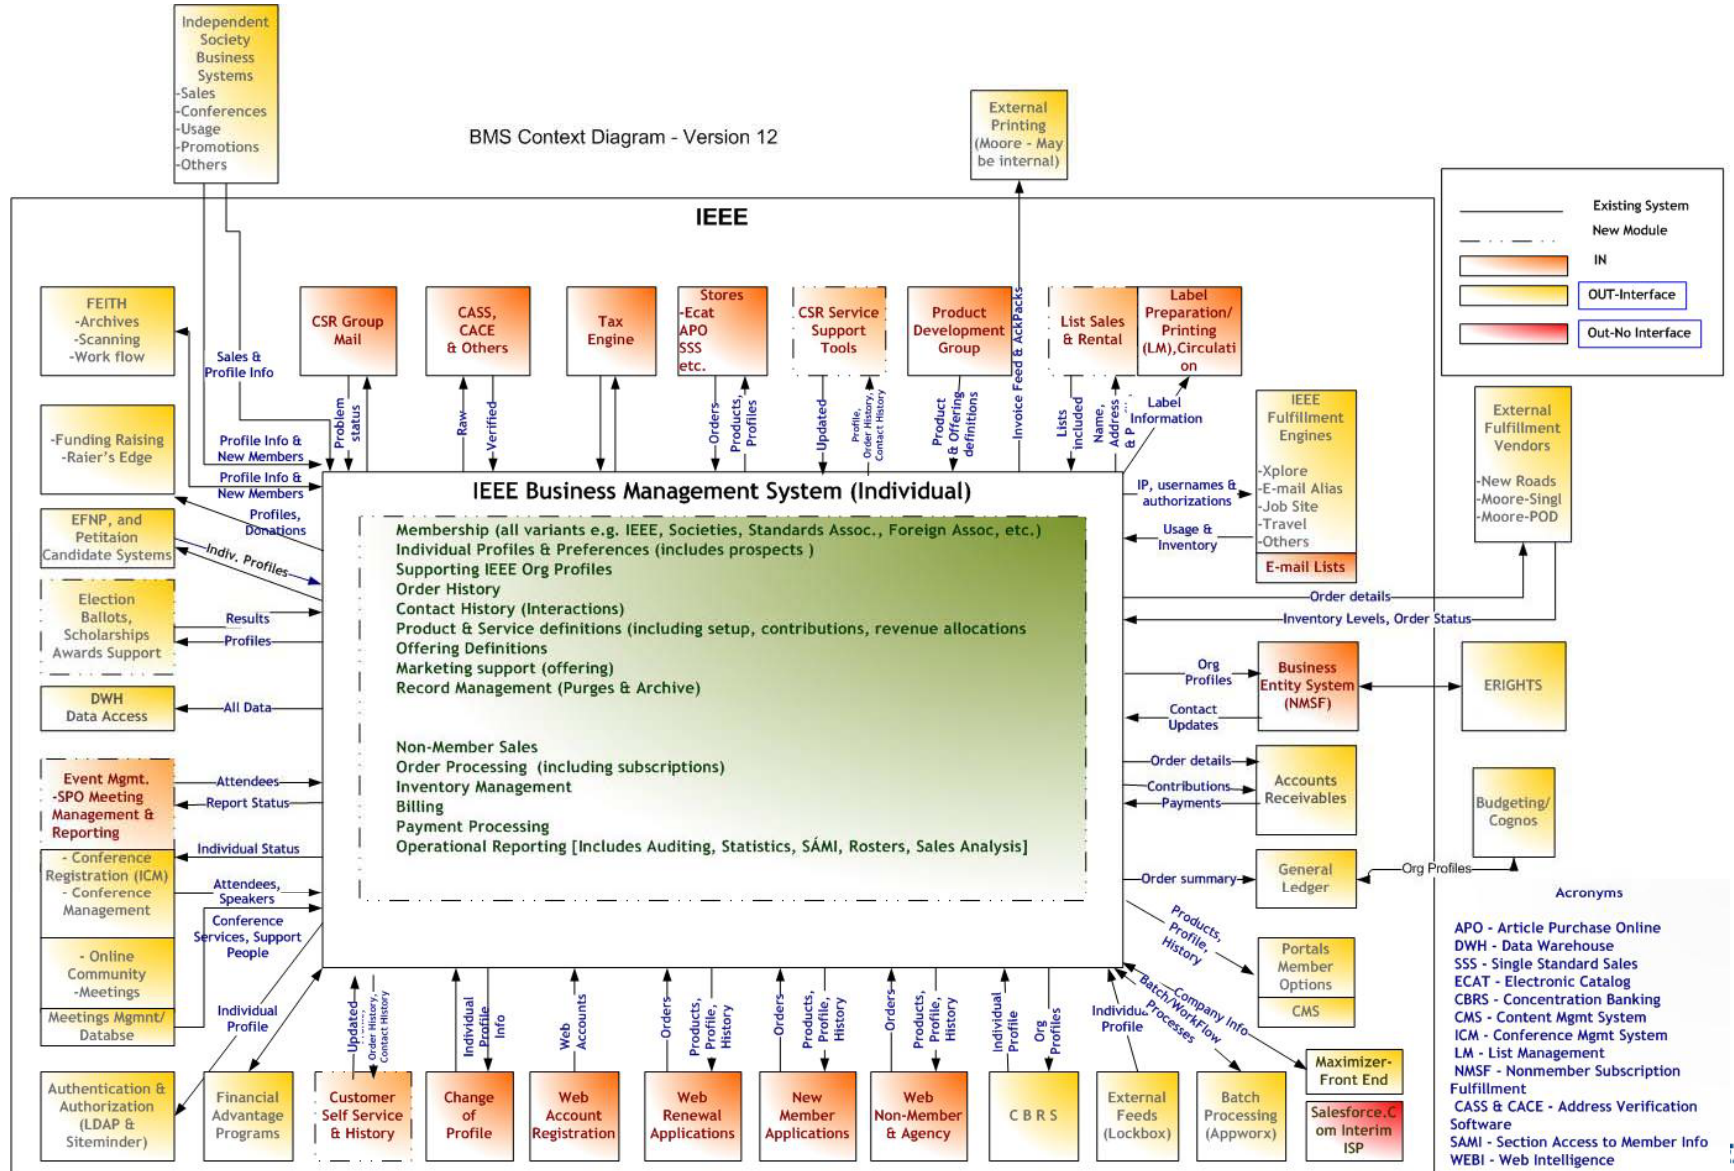

IEEE Business Management System

- In July 2007 the BMS system replaced the IEEE and the IEEE Computer Society's core business systems.
- It combines all information from various databases such as the IEEE Membership Database and the Computer Society's Sisyphus System into one repository.
- 26 independent systems were integrated into one enabling IEEE to work towards a more state-of-the-art system for serving and understanding members and customers.

IEEE

Replaces 26 different systems

Version 12 – Added Salesforce as independent system, re-defined certain applications as interface-only, clarified legend...bh

IEEE Business Management System Vision

- Provide a 360 degree view of the member.
- Provide one place for the member or customer to update personal information:
 - Address Profile
 - Education / Certification Information
 - Credit Card Profile
 - Technical Interest Profile
 - Web Account
- Provide one place for the member or customer to:
 - View Current and Previous Memberships and subscriptions
 - View Order / Purchase History
 - Print a Receipt anytime

IEEE Member Database - SAMIEEE

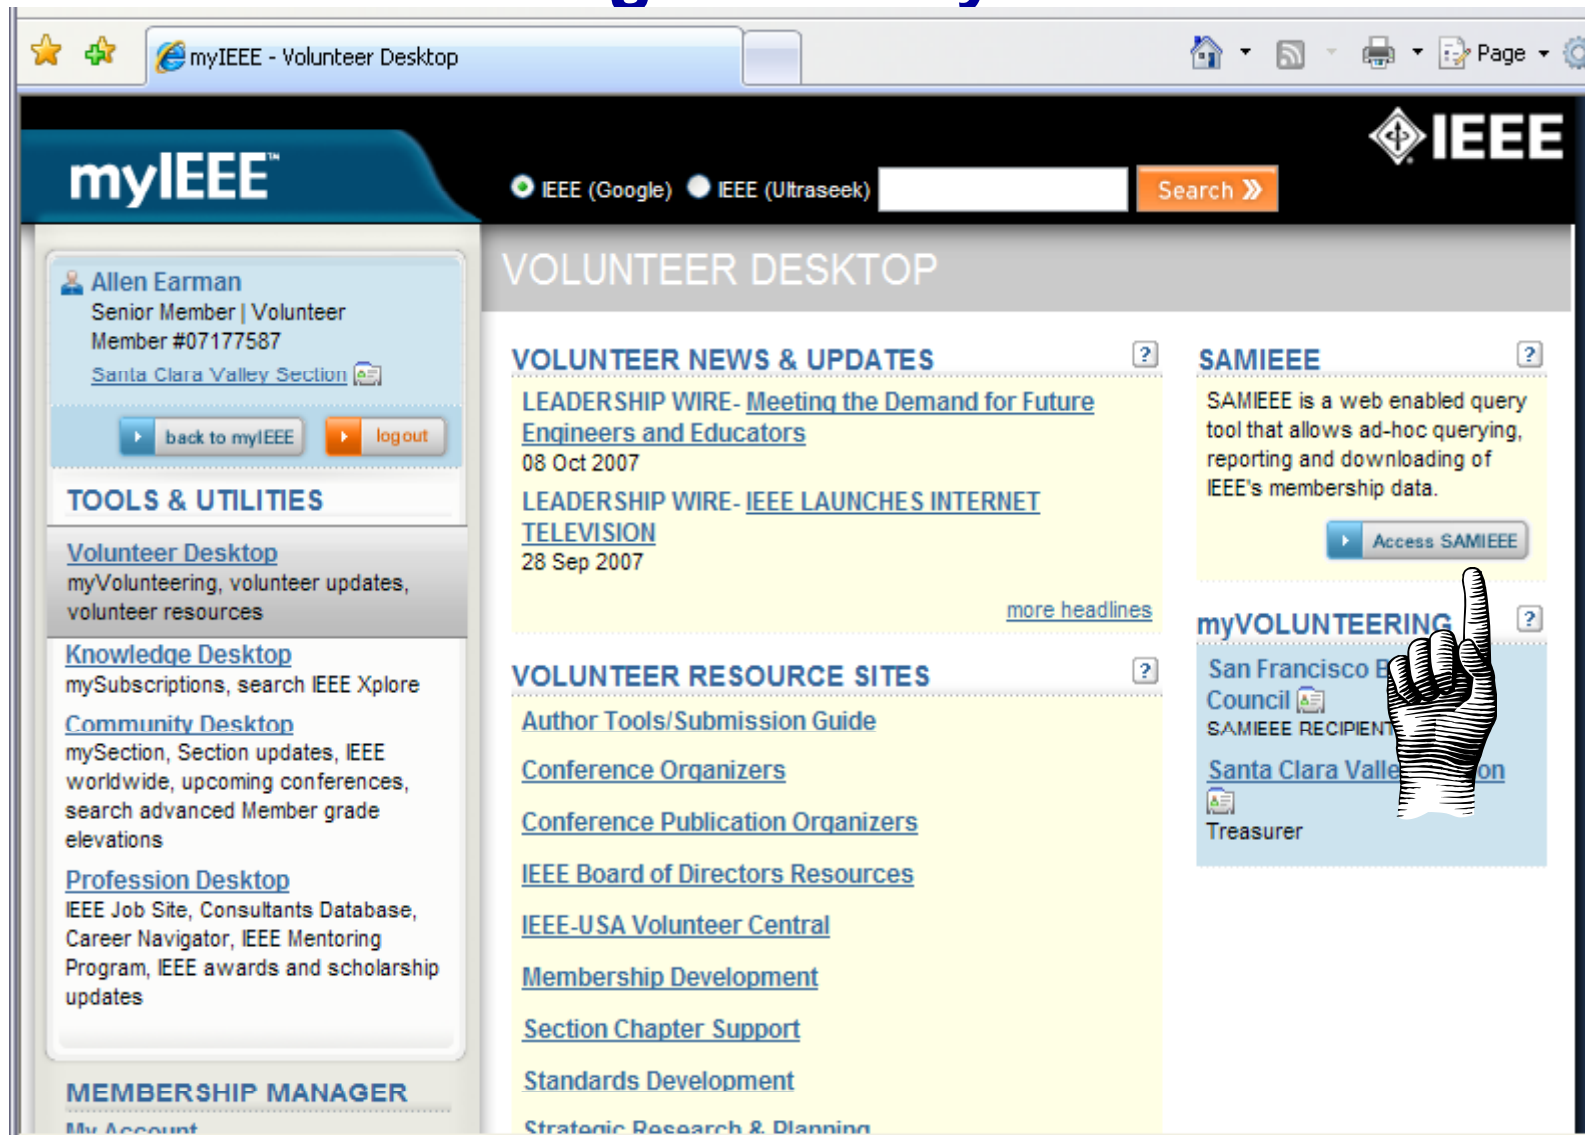

- Common uses by Local Chapters:
 - Current List/ Number of All Chapter Members
 - Chapter Member Contact Information
 - **Chapter Elections; Chapter Announcements**
 - Chapter Member Upgrade Candidates
- Common uses by Sections:
 - Current List/Number of Section Members
 - Distribution of Members by Local Chapter
 - Increase/decrease in Section Membership by year
 - List of Potential Member Upgrade References

Using the Database

- All Chapter Chairs have Automatic Access to SAMIEEE Database
 - Annual Chapter Officer Report?
 - Member IEEE Web-Access Account
 - Database Access Limited to Chapter Members
 - Other Chapter Officers (such as Membership Chair) can be added upon request of the Chapter Chair

In SCV Section: Monterey Bay Sub-Section; Consumer Electronics; Control Systems; Instrumentation & Measurement; and Power Electronics Did Not submit Officer Reports for 2008.

Finding the Entry Point

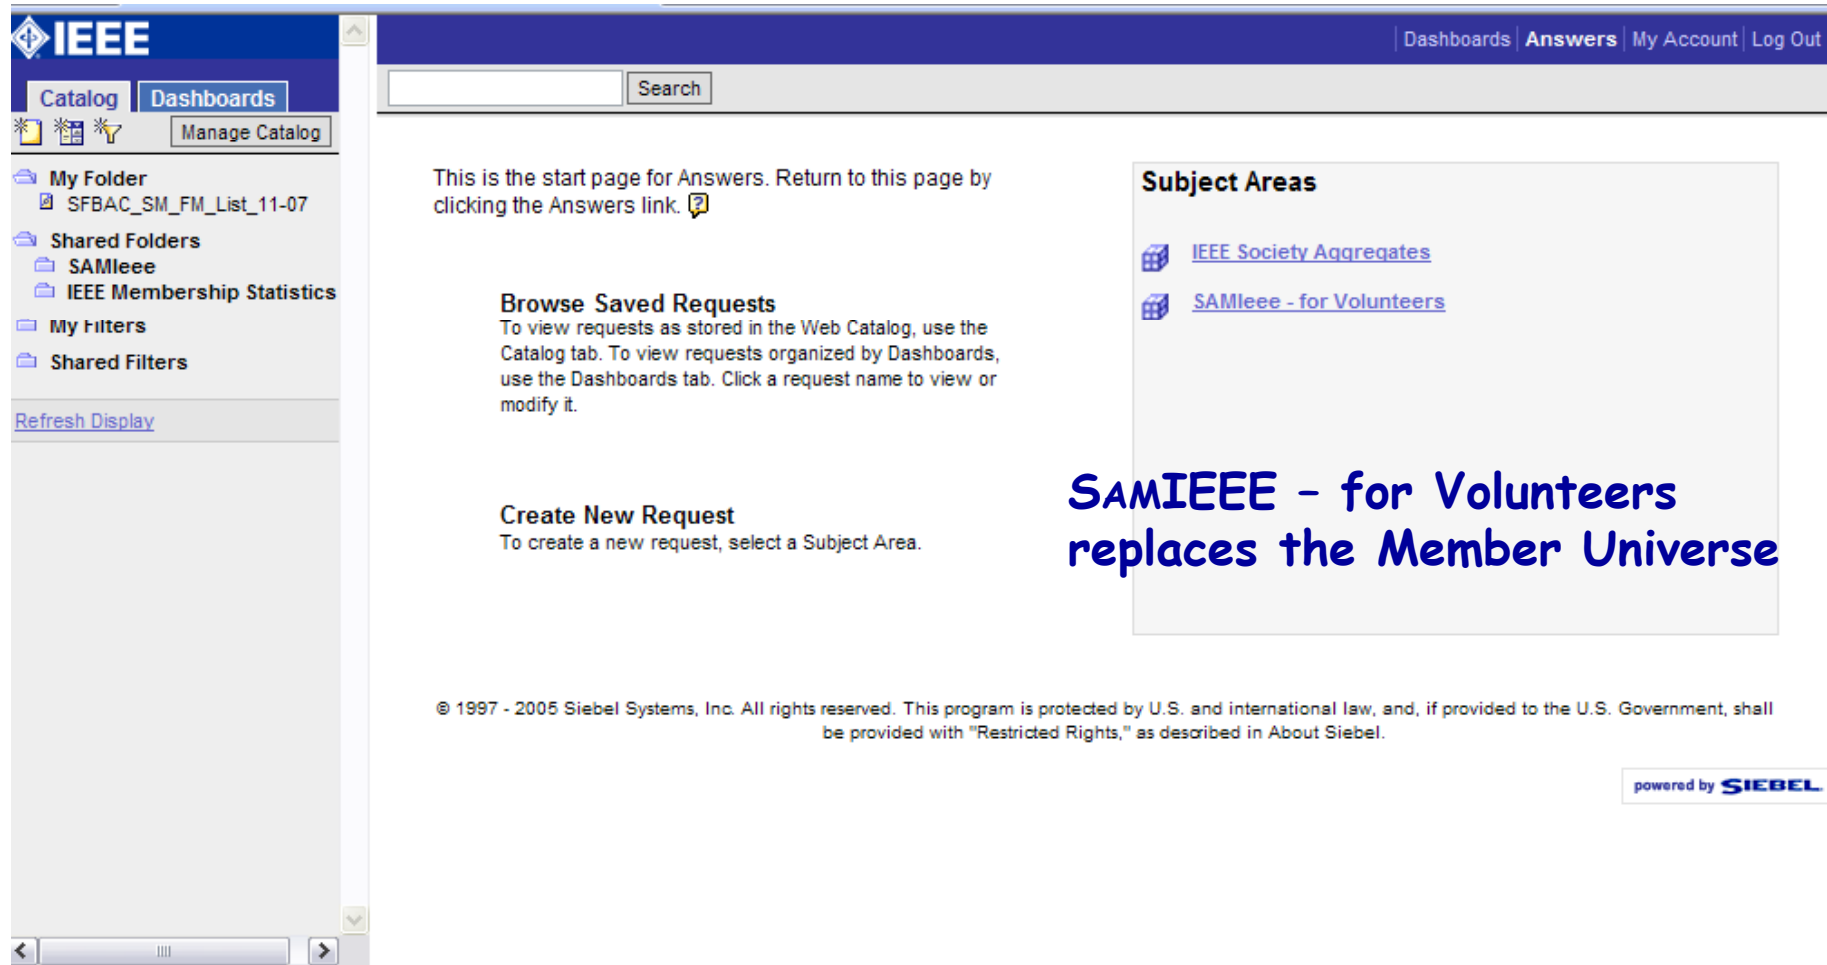

The screenshot shows the myIEEE Volunteer Desktop interface. At the top, there is a search bar with options for IEEE (Google) and IEEE (Ultrasseek), and a search button. The main content area is divided into several sections:

- myIEEE™** header with the IEEE logo.
- VOLUNTEER DESKTOP** header.
- VOLUNTEER NEWS & UPDATES** section with two news items:
 - LEADERSHIP WIRE- Meeting the Demand for Future Engineers and Educators** (08 Oct 2007)
 - LEADERSHIP WIRE- IEEE LAUNCHES INTERNET TELEVISION** (28 Sep 2007)
- VOLUNTEER RESOURCE SITES** section with links to:
 - Author Tools/Submission Guide
 - Conference Organizers
 - Conference Publication Organizers
 - IEEE Board of Directors Resources
 - IEEE-USA Volunteer Central
 - Membership Development
 - Section Chapter Support
 - Standards Development
 - Strategic Research & Planning
- SAMIEEE** section with a description: "SAMIEEE is a web enabled query tool that allows ad-hoc querying, reporting and downloading of IEEE's membership data." and an "Access SAMIEEE" button.
- myVOLUNTEERING** section with a hand icon pointing to a "Santa Clara Valley Section Treasurer" link.

On the left side, there is a user profile for Allen Earman (Senior Member | Volunteer, Member #07177587, Santa Clara Valley Section) with "back to myIEEE" and "logout" buttons. Below the profile is a "TOOLS & UTILITIES" section with links to Volunteer Desktop, Knowledge Desktop, Community Desktop, and Profession Desktop. At the bottom left is a "MEMBERSHIP MANAGER" section with a "My Account" link.

Current SAMIEEE Known Issues

Please read the following before continuing

There are 5 known defects in SAMIEEE that we are working to correct or resolve ASAP. Please be aware of them and how they might affect your results.

| Field | Defect |
|---|--|
| Member Info--> Phones and Emails--> Home Phone Fix Date: 27 February | When using the Home Phone field in a query, results are inconsistent. |
| Member Info--> Phones and Emails--> Email Address Modified Date Field Fix Date: 27 February | This field is empty and will be removed from the SAMIEEE subject area |
| Technical Interest Profile Folder - All Fields Estimated Fix Date: May 2008 | When including any of the TIP fields, query will only produce results for members who have a TIP Code selected on their records. Members where these fields are blank do not appear. |
| IEEE Membership Status Change Date Field Estimated Fix Date: May 2008 | When this field is included in a query - it will only return records where this field is populated. Members where these fields are blank do not appear. |
| Grade History Folder - IEEE Grade Hist-Grade Effective Years Estimated Fix Date: May 2008 | When this field is included in a query - it will only return records where this field is populated. Members where these fields are blank do not appear. |

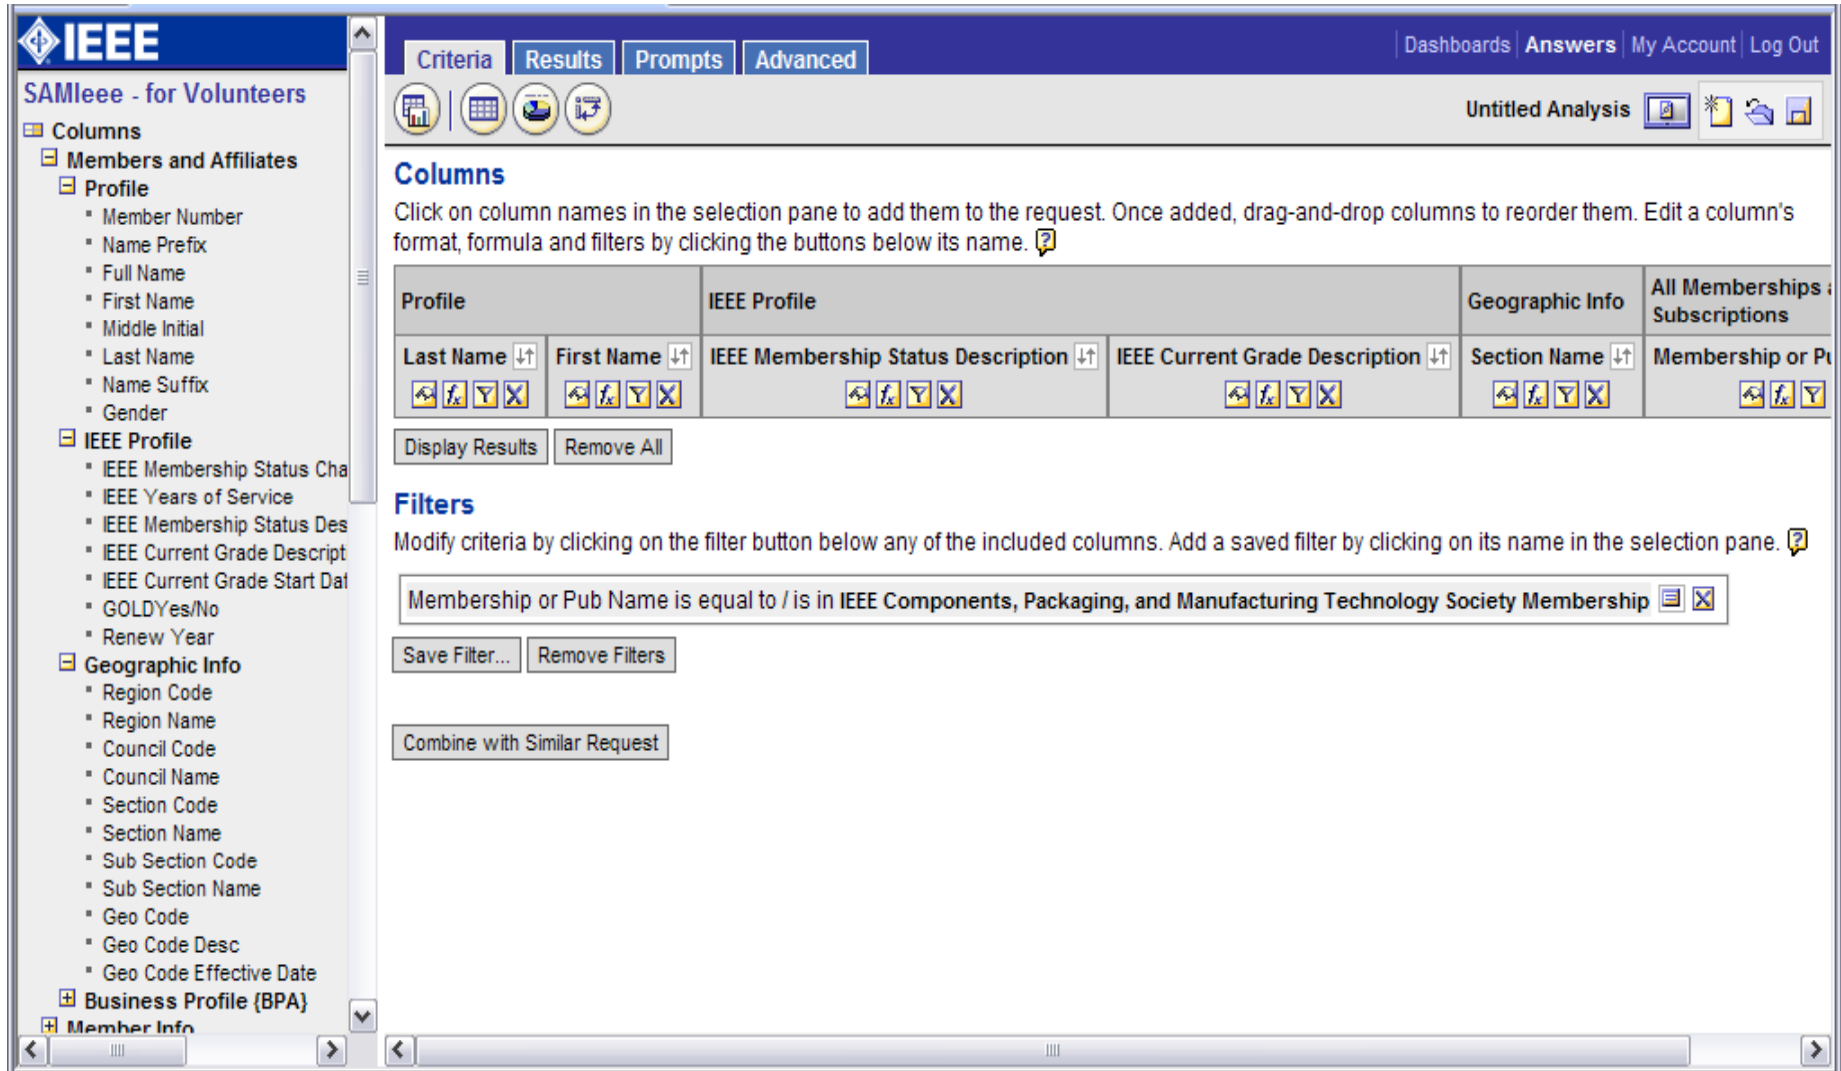

Starting your SAMIEEE Search

The screenshot displays the SAMIEEE search interface. At the top, there is a menu bar with 'File', 'Edit', 'View', 'Navigate', 'Query', 'Tools', and 'Help'. A 'Queries:' search box is located on the right. Below the menu bar is a navigation bar with tabs for 'Home', 'Accounts', 'Contacts', 'Campaigns', 'Opportunities', 'Quotes', 'Sales Order', 'Service Requests', and 'Answers'. The 'Answers' tab is selected. The main content area is titled 'Analytics Web Administration' and 'Answers'. It features a sub-navigation bar with 'Criteria', 'Results', 'Prompts', and 'Advanced' tabs. The 'Criteria' tab is active, showing a selection pane on the left and a main area on the right. The selection pane is titled 'Columns' and lists various fields: 'Members and Affiliates', 'Member Info', 'Technical Interest Profile', 'Member Education', 'Member Certification', 'Grade History', 'Designations', 'All Memberships and Subsci', 'Computed Values', 'Society Flags', 'Other Membership Flags', and 'Do Not Use -- System'. Below the columns list are 'Filters' for 'SAMIEEE' and 'TESTING'. A 'Refresh Display' link is also present. The main area contains instructions for adding and reordering columns, and a 'Filters' section with a 'Combine with Similar Request' button. A message box states 'There are no columns in this request.'

Analytics

- To the left are folders that contain the individual fields used in the queries.
- To the right “Criteria” tab is where users set their fields and conditions for the queries. Unlike in WEBI – All fields necessary to run the query for both Results and Conditions are selected within this screen.
- The fields are selected by opening a folder and clicking on the desired field. Fields appear under the Columns heading.
- Once all desired fields are selected, a user places “conditions” on appropriate fields thereby creating a filter. As filters are being built they appear in the lower area of the screen under Filters.

Query Conditions

The screenshot shows the SAMIEEE web interface for configuring query conditions. The interface includes a navigation menu on the left, a top navigation bar with tabs for 'Criteria', 'Results', 'Prompts', and 'Advanced', and a main workspace for defining query criteria and filters.

Criteria | **Results** | **Prompts** | **Advanced** | Dashboards | Answers | My Account | Log Out

A Conditioning Window

User selects operator for the condition

The screenshot displays the IEEE SAM system interface. A 'Create/Edit Filter' dialog box is open, allowing a user to define a filter condition. The dialog shows the following configuration:

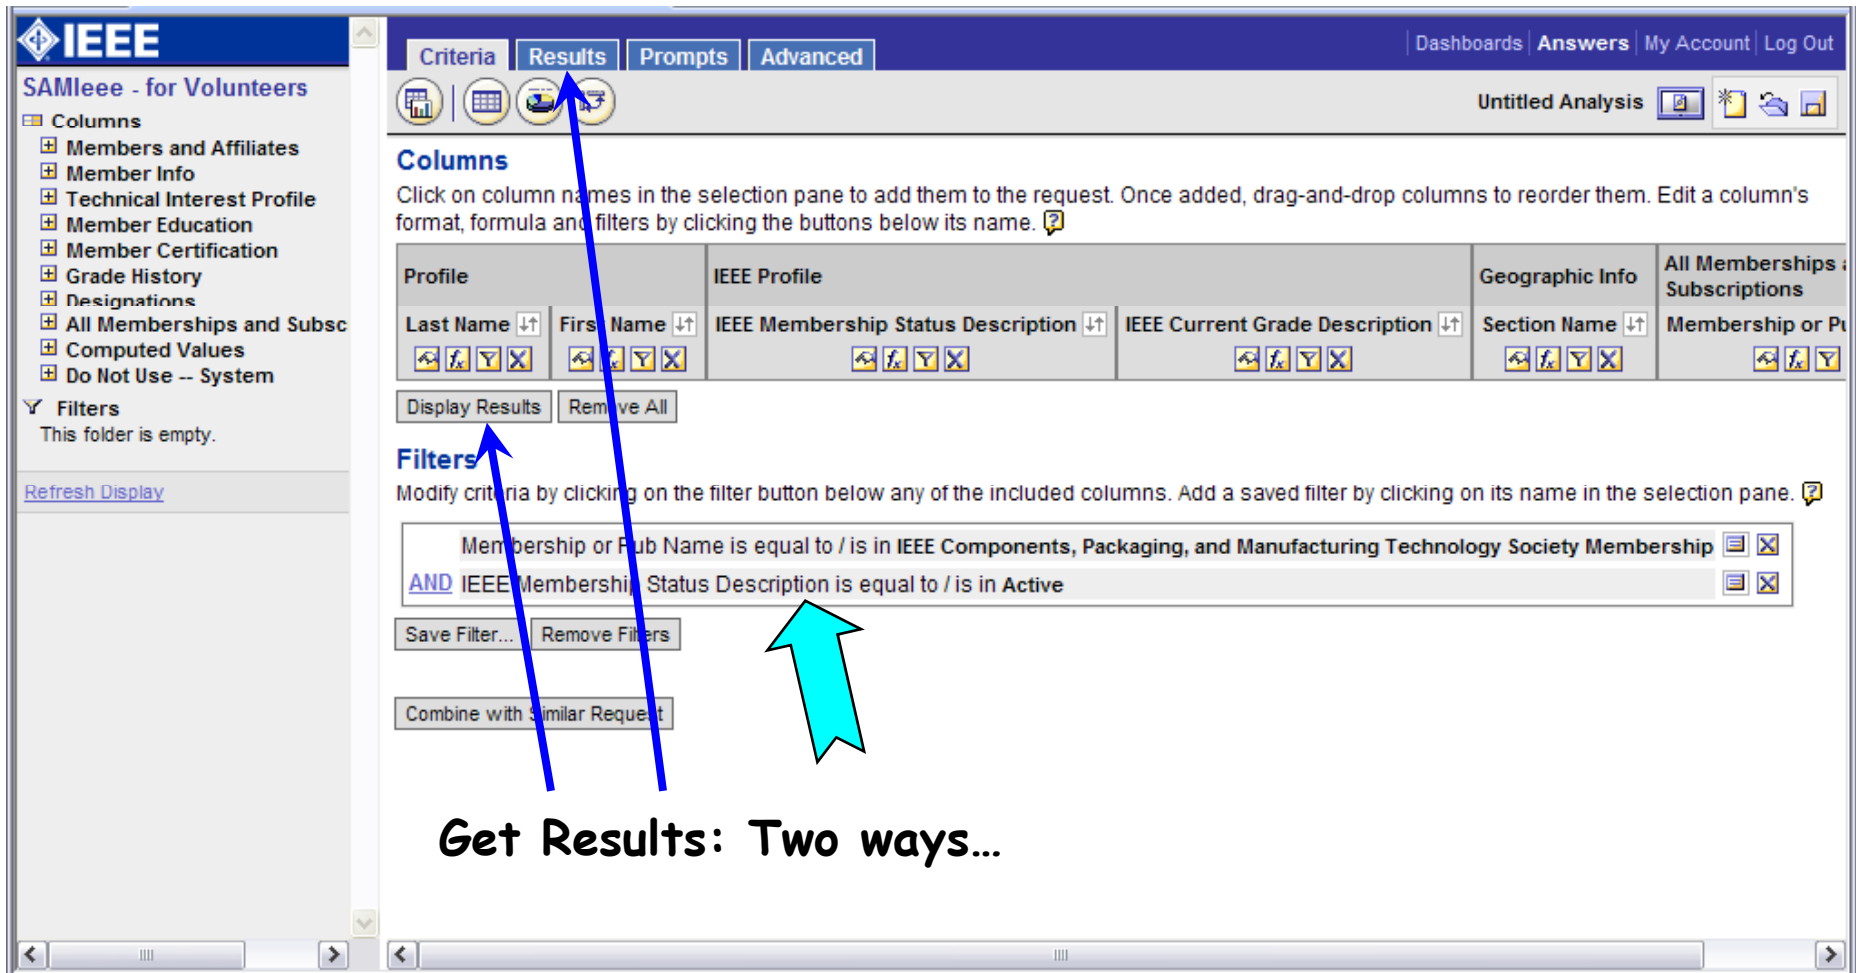

- Column:** IEEE Membership Status
- Description:** Description
- Operator:** is equal to / is in
- Value:** (empty text box)
- Match:** begins with
- Active:** (checkbox)

The background window, titled 'Untitled Analysis', shows a sidebar with a 'Columns' list (including Members and Affiliates, Member Info, etc.) and a 'Filters' section. A table of data is visible in the main area, with columns for 'Geographic Info' and 'All Membership Subscriptions'.

Conditioning Window

- There are many selections in the Operator. Because of the numerous selections a wild card key is no longer necessary.
- Once you choose a Operator, you then select a Value. There is a drop down/selection available to the right of the screen. In order to refine your selection of possible selections you can use the Match/All Choices feature. In Match you can use one of three choices: begins with; ends with; contains.
- To place a condition on Membership Status to limit your view to only available Status you would select: Match: contains
- And then in the empty box next to contains type Active and then click on All Choices.

Filter Selected

The screenshot shows the SAMIEEE web interface. The top navigation bar includes 'Criteria', 'Results', 'Prompts', and 'Advanced'. The left sidebar shows 'Columns' and 'Filters' sections. The main content area is titled 'Columns' and contains a table of columns with filter icons. Below the table are 'Display Results' and 'Remove All' buttons. The 'Filters' section shows a selected filter: 'Membership or Pub Name is equal to / is in IEEE Components, Packaging, and Manufacturing Technology Society Membership AND IEEE Membership Status Description is equal to / is in Active'. Below the filter are 'Save Filter...', 'Remove Filters', and 'Combine with Similar Request' buttons.

Format Columns

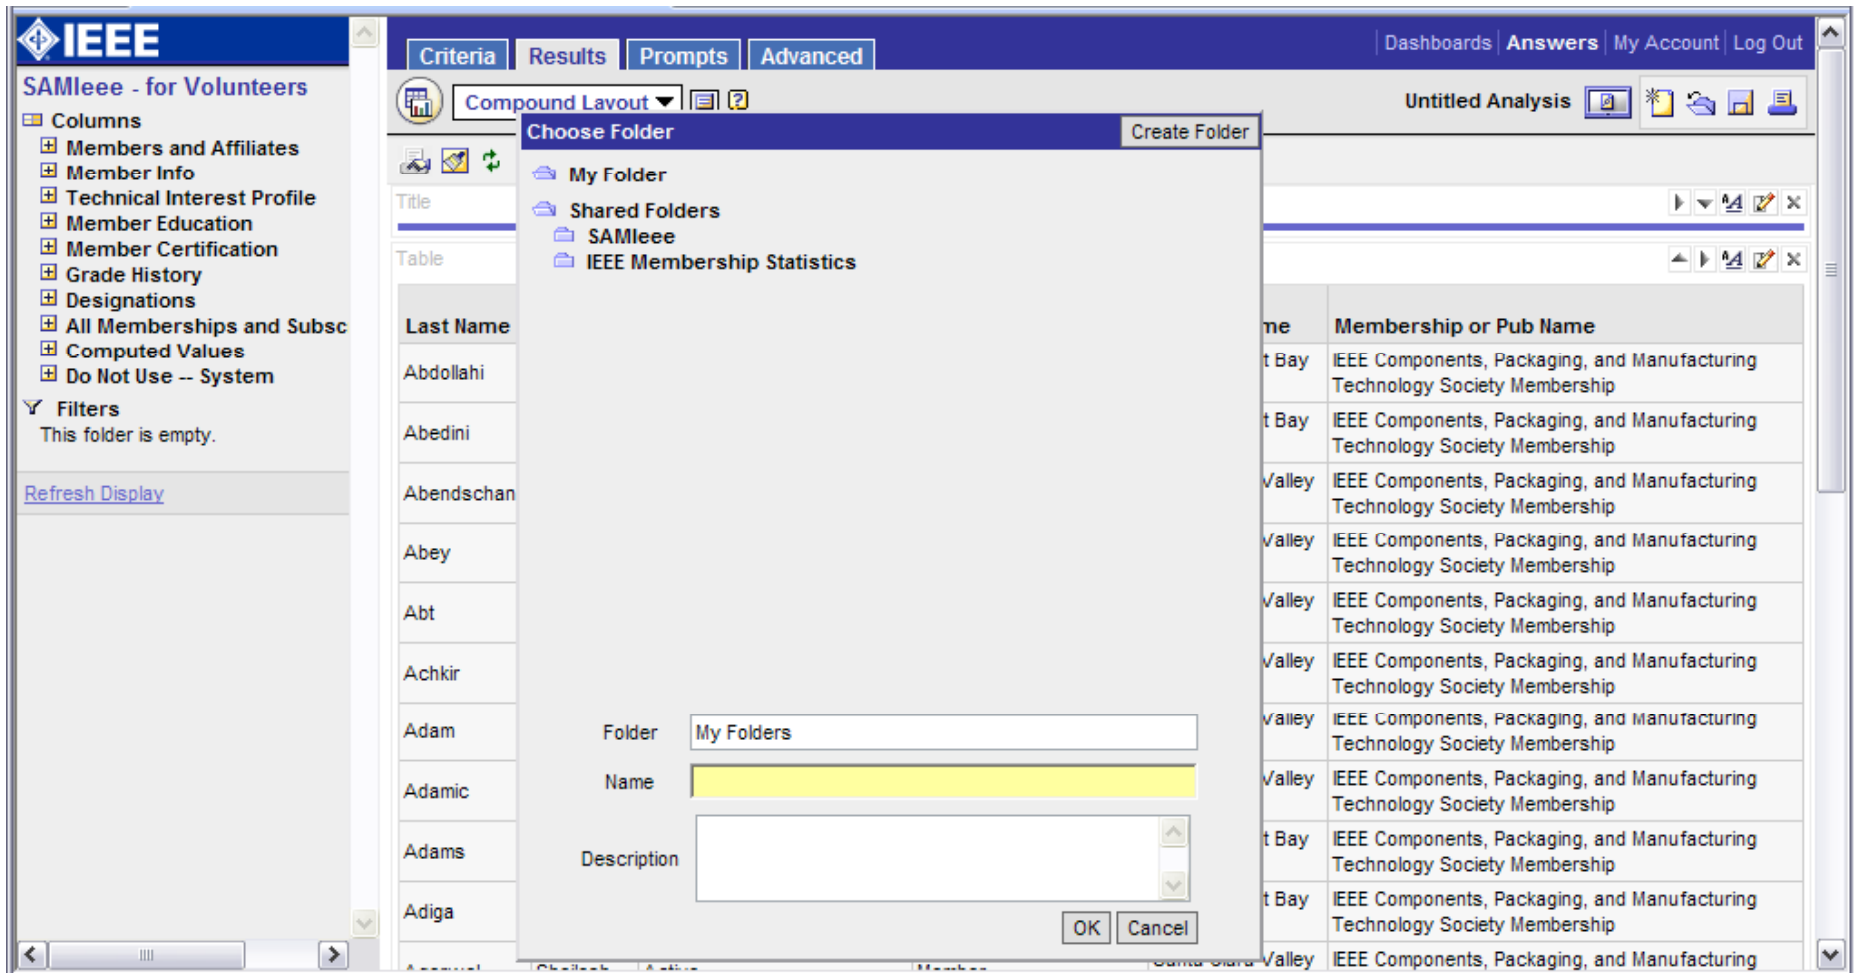

The screenshot shows the SAMIEEE software interface with the 'Format Columns' dialog box open. The dialog box has four tabs: 'Value Format', 'Column Format', 'Data Format', and 'Conditional Format'. The 'Column Format' tab is selected. The dialog contains the following sections:

- Headings:** Includes 'Table Heading' (Profile) and 'Column Heading' (Last Name). There is a 'Hide' checkbox.
- Value Suppression:** Includes a grid of suppression patterns and radio buttons for 'Suppress', 'Repeat' (selected), and 'Default'.
- Column Heading Interaction:** Includes a 'Type' dropdown menu set to 'Default'.
- Value Interaction:** Includes a 'Type' dropdown menu set to 'Default'.

The main interface shows a table with columns for 'Profile', 'Last Name', and 'First Name'. A blue arrow points from the 'Last Name' column in the table to the 'Column Heading' field in the dialog box.

Save Results

The screenshot shows the SAMIEEE software interface. On the left is a navigation pane with 'Columns' and 'Filters' sections. The main area displays a table with columns 'Last Name' and 'Membership or Pub Name'. A 'Choose Folder' dialog box is open in the center, showing a tree view with folders like 'My Folder', 'Shared Folders', 'SAMIEEE', and 'IEEE Membership Statistics'. Below the tree are input fields for 'Folder' (containing 'My Folders'), 'Name' (highlighted in yellow), and 'Description'. 'OK' and 'Cancel' buttons are at the bottom of the dialog.

| Last Name | Membership or Pub Name |
|------------|---|
| Abdollahi | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Abedini | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Abendschan | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Abey | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Abt | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Achkir | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Adam | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Adamic | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Adams | IEEE Components, Packaging, and Manufacturing Technology Society Membership |
| Adiga | IEEE Components, Packaging, and Manufacturing Technology Society Membership |

Note: This saves the Results, not the Query Conditions

Query: Count of Current Members, By Section, By Grade for Active members.

The screenshot shows the SAMIEEE web administration interface. The main workspace is titled "Criteria" and contains a table of columns and a list of filters.

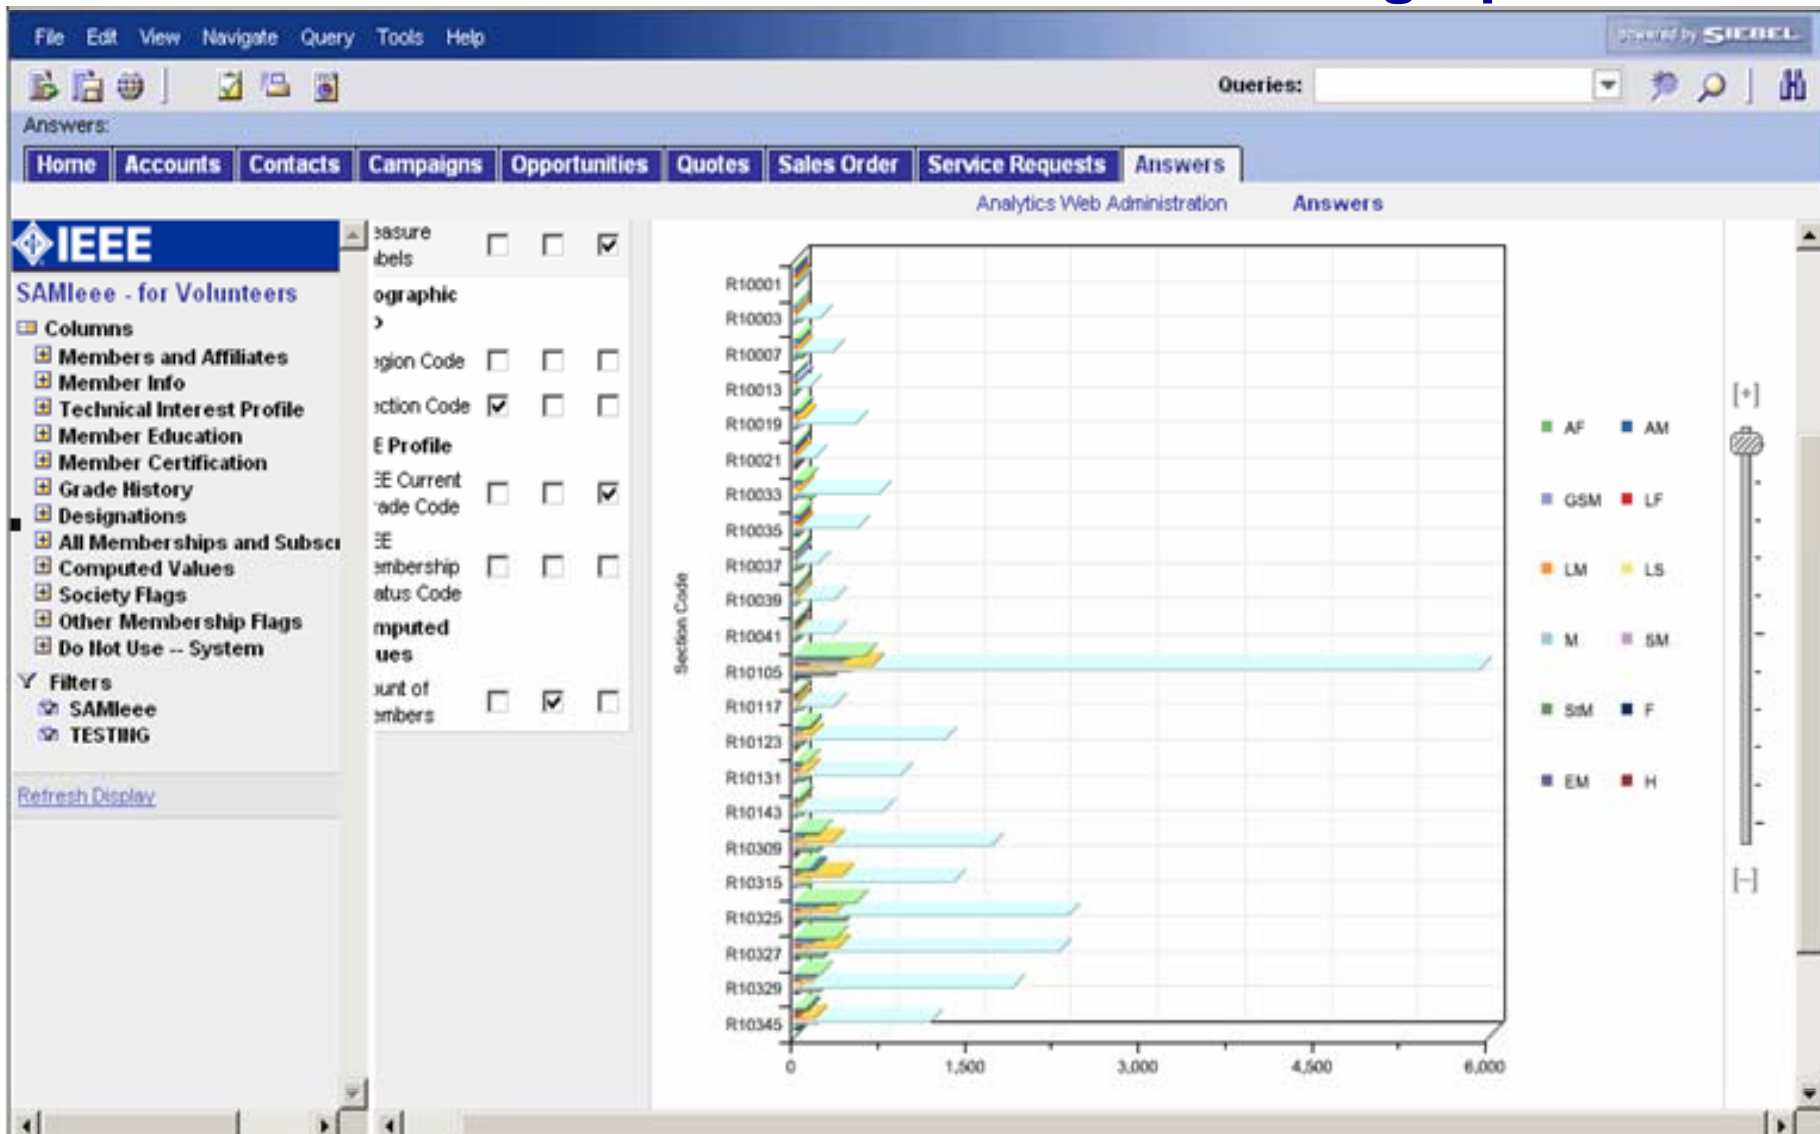

| Geographic Info | | IEEE Profile | | Computed Values |
|-----------------|--------------|-------------------------|-----------------------------|------------------|
| Region Name | Section Name | IEEE Current Grade Code | IEEE Membership Status Code | Count of Members |

Filters:

- Region Name is equal to / is in **Northeastern Usa - Region 1**
- AND** IEEE Membership Status Code is equal to / is in **AC**

Advanced: Results can be saved as graph

Graph can be combined with Report
