

San Fernando Valley Section

The IEEE San Fernando Valley Section
and Photonics Chapter *present:*

Solar Energy Workshop

Date: Saturday, October 10, 2009

Time: 09:00 AM to 01:00 PM

Location: **Class Room JD3520**
California State University, Northridge

RSVP CLOSED: Please access <https://www.123signup.com/event?id=ichdy>

No Fee: Drinks and snacks will be provided

Information: Dr. Sudhan Rengarajan, rengarajan.sudharsanan@boeing.com

Chaired by Dr. Sudhan Sudharsanan

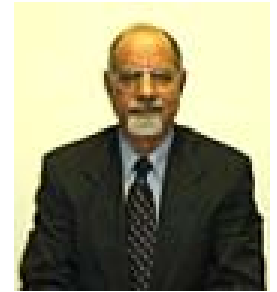

Dr. Geoffrey Kinsey

Dr. Geoffrey Kinsey, Director, Cell Development & Integration, Amonix, Inc.

- **Talk:** New Generation of Systems Designed for III-V Multijunction Cells

Dr. Vijay Kapur, President and Chief Executive Officer, International Solar Electric Technology, Inc.

- **Talk:** Low Cost Photovoltaics - R&D for the Solar Energy Industry

Dr. Vijay Kapur

Ms. Milena Marinova

Ms. Milena Marinova, Senior Director, Business Development & Project Finance, eSolar, Inc.

- **Talk:** Structuring and Financing of Large Scale Solar Projects

Dr. Raed Sherif, Vice President, International Market Development, eSolar, Inc.

- **Talk:** Concentrating Solar Energy Technologies and Markets

Dr. Raed Sherif

Mr. Bruno Osorno

Mr. Bruno Osorno, Professor, Electrical and Computer Engineering, California State University Northridge.

- **Talk:** Solar Tracker Team presentation titled, An Academic View of Design of a Cost Effective Solar Tracker
