

IEEE Canada

Hamilton Section

VS

Casino Niagara

No xmas money left you say?
That's ok, we can help!

For a mere \$15 you get:

- Coach transportation to the Casino (and back!) from the Hamilton area
- A \$15 Casino voucher
- Another IEEE networking opportunity

When?

Evening of Thursday,
January 16, 2003

Do the math...this is a really good deal!!

How to participate?

- All are welcome but seats on the coach are first-come-first-serve so mark your calendars and sign-up now!
- E-mail Scott at s.lowell@ieee.org and provide:
 - Number of people and names (non-member guests are welcome)
 - General preferred area for coach pick-up/drop-off so we can determine what best suits the group and let everyone know
 - Your contact information (address, work and home numbers where available just in case we have last minute weather problems)

Some minor details...

- Coach pickup points will be determined based upon need of those participating. Likely one in each of Burlington, Hamilton (eg McMaster) and around Stoney Creek or Grimsby near the QEW.
- We need a minimum of 35 people to arrive at the Casino on the bus in order to receive the \$15 vouchers. As some folks from the Niagara area will I suspect prefer to just meet us there however, we'll do a pickup very near the Casino.
