

Hamilton & KW Sections IEEE LM

Semi-annual

Lunch

12 Noon MAY 18, 2011 (Wednesday)

\$15.00 each

Our Life member Chapter is now an Affinity Group and can provide funding to the section but your help is needed by attending this luncheon meeting.

Agenda: A topic of interest to most of us.

An up-to-date account of the driving of Tunnel #3 at the Sir Adam Beck Hydro Plant, Niagara Falls. Speaker Dean Norton, PR Manager for OPG based at the Beck Plant at Niagara Falls. Note: The scheduled “breakthrough” is May 13, 2011 so, if they make that, he should have some interesting photos by May18.

Please **RSVP** by May 14, 2011 to frank.barnard@sympatico.ca Phone 905-628-8851
or to Bert de Kat at BDEKAT@sentex.net Phone: 519 647 3075

Location:

Dundas Valley Golf & Curling Club

10 Woodley's Lane, Dundas, Ontario
