IEEE TORONTO SECTION BY-LAWS.

2003

ARTICLE 1: GENERAL

- 1.1** The full legal name of the Section is the IEEE Canada Toronto Section. The usage of IEEE Toronto Section and IEEE Canada Toronto Section are interchangeable, hereinafter referred as *the Section*.
- 1.2** The Section is a non-profit organization responsible for administering IEEE activities within the assigned Territory as defined in Article 2.
- 1.3** The aims of the Section are to advance the theory and practice of electrical and electronics engineering, allied branches of engineering and related arts and science by holding regular meetings among its members to discuss current technical subjects as well as by offering technical courses and conferences, by encouraging contributions to technical literature, and by co-operating with other learned societies, which have interests compatible with those of the Section.
- 1.4** In all instances, the Institute of Electrical and Electronics Engineers (IEEE) Bylaws, Constitution, IEEE Policy Manual, and Regional Activities Board (RAB) Operations Manual shall prevail when there is a conflict between these documents and Section Bylaws.

ARTICLE 2: TERRITORY

- 2.1** The Section includes within its geographical territory:
Metropolitan Toronto
Greater Toronto Environs including:
Brampton, Mississauga
Woodbridge
Thornhill
Richmond Hill
Stouffville
Markham
Ajax
Pickering
Oakville
Oshawa
North Bay
Sudbury
Saulte Ste Marie

and the surrounding areas of these cities, with the further provision that an individual member within any of these locations may elect to be listed under a neighbouring

Section, if he so desires because of a close affinity between his technical areas of interest and the established activities of such neighbouring Section. Within any of the neighbouring Sections, an individual member can elect to be listed under the Toronto Section.

ARTICLE 3: SECTION ORGANIZATION

3.1 Officers:

The elected Officers of the Section shall be the Chair, Vice Chair, Secretary and Treasurer. (The positions of the Secretary and Treasurer may be combined from time to time).

3.2 Executive Committee:

The Section Executive Committee shall consist of the Section Officers, the Past Chair, Chairs of all committees and Chapters and other volunteers as appointed by the Section chair. (One person may represent more than one Chapter or Committee). See attached Organization Chart, Appendix A.

3.3 Term of Office:

The term of office of the Executive Committee members shall be two years commencing January 1 of the year immediately following the Election Year. Election years are the odd calendar years.

3.4 Filling of Vacancies:

The Executive committee shall be responsible for filling any vacancies which develop within itself during its term of office with due consideration to recommendations from pertinent Committees, Branches or Chapters.

3.5 Subunits

The Executive Committee shall encourage establish and maintain-Subunits, including Chapters and Affinity Groups. The Section shall support the efforts of subunits to serve the members. Management of the subunits will be governed by the Section bylaws as detailed herein, including financial activity.

ARTICLE 4: SECTION OPERATIONS

4.1 Meetings:

The executive committee shall hold regular meetings, either in person or by teleconferencing, for the efficient administration of the Section's activities. The frequency and dates of these meetings shall be established by the Section Chair, or his/her delegate, with advice from the other members of the Executive Committee. The minimum number of meetings shall be two per calendar year. Individuals missing two consecutive meetings may, at the discretion of the Officers, be dropped from the Executive Committee.

4.2 Quorum:

A majority of the Section Executive Committee shall constitute a quorum. A quorum shall be necessary for the Section Executive Committee to conduct the business of the

Section. However, in between meetings of the executive committee, the majority of the elected section officer have the authority to act on behalf of the executive committee. All such actions shall be reported to the next executive committee meeting.

ARTICLE 5: FINANCES

5.1 Fiscal Year:

The Fiscal Year of the Section shall be from January 1 to the following December 31. The signing authority and related financial records shall be transferred to the incoming Section Treasurer on the first business day of the New Year following each Election Year.

5.2 Funds:

Without prior authorization of the IEEE Executive Committee, Section funds can be used only for normal operations of the Section. All funds received by the Section shall be deposited in one or more accounts as designated by the Section Treasurer. Funds not required for normal Section Operations shall be invested in an interest bearing account, or accounts as directed by the Section Executive Committee.

5.3 Disbursements:

Each disbursement of Section Funds shall be authorized by the signatures of two Officers of the Section (as listed in 3. 1). Under normal circumstances, the Section Treasurer will always be one of the signatories. If permitted by government and banking regulations, all unit bank accounts will provide for the signature authority of the IEEE Staff Director, Financial Services

5.4 Special Funds:

Special Funds, designated for specific purposes, other than normal Section Operations, such as, but not limited to, scholarships or conference "Seed-Money", shall be kept in specific accounts, which are separate from general operating funds. Each such Special Fund shall be administered under procedures established by the Section Executive Committee at the time such fund is established.

5.5 Subunit and Committee Funds:

Each Chapter Chair or Committee Chair requiring Section funds for the operations of the Chapter or Committee shall prepare a budget to be presented, for approval, through the Section Treasurer to the Section Executive Committee. Such budget shall be in accordance with the Budgeting Guidelines prepared by the Section Treasurer and authorized by the Section Executive Committee annually. Expenditures from these funds shall be reported to the Section Treasurer promptly and accurately, in the manner prescribed by the Section Treasurer.

5.6 Section Budget:

The Section Annual Budget shall be prepared by the Section Treasurer and shall be approved by the Executive Committee at the first meeting of the fiscal year.

5.7 Special Expenditures:

The section Executive Committee's approval must precede all financial payments towards Conference Advances, Scholarships, support of Special Projects and similar expenditures, not already provided for within the budgets of individual Chapters or Committees (see 5.5).

5.8 Financial Commitments:

The Treasurer shall ensure that Section Executives do not unreasonably commit funds for any expenditure beyond their term of office.

ARTICLE 6: ELECTION OF OFFICERS

6.1 Election Years:

The Section Officers named in Article 3, Clause 3.1, shall be elected by the Section Membership every two years. Election years shall be the odd calendar years.

6.2 Nominations Committee:

The Section Past Chair shall establish and chair the Nominations Committee. In the event that he is unable or unavailable to act in this capacity the Section Chair shall appoint some other qualified member of the Section to perform this duty. This appointment shall be completed by the May meeting of the Section in the Election Year

6.3 Nominations:

Nominations by the Nominations Committee shall be published in the issue of the Section newsletter close to September of the Election Year. Nominations by the Membership shall be requested in this same issue of the Section newsletter, and, to be eligible, such nominations by the Membership must be delivered to the Nominations Committee by the first of November of the Election Year. Such "membership" nominations must be supported in writing by the signatures of ten or more voting members of the Section. Nominees for "Officer" positions, to qualify for election, shall have experience in at least two section positions (not necessarily

Toronto), or in the combined opinion of the Executive Committee, adequate experience in the affairs of the Toronto Section or other Section(s).

6.4 Voting Members:

Voting members are defined as those individuals who are in good standing in IEEE membership records as of the submittal date of the nomination or as of the date of the mailing list for mailed ballots, or at the date of votes at any general meeting convened for that purpose. Voting members are at Fellow, Senior Member, Member or Associate grades.

6.5 Publication of Nominations:

Names of all candidates nominated by the Membership shall be published in the Fall Section newsletter. In the event that there is more than one nominee for any elective office, an election shall be held during the annual general meeting.

6.6 Election:

A simple majority of votes cast shall be necessary for the election of each Officer. In the event of a confirmed tie-vote the choice of the Nominations Committee shall stand.

6.7 Publication of Election Results:

The results of the election shall be reported to the Membership after the election in the next available newsletter of the Section. Names of volunteer officers shall also be published.

ARTICLE 7: APPOINTMENT OF OTHER MEMBERS OF THE EXECUTIVE

7.1 Appointments:

The elected Section Chair with advice of the other elected Officers shall appoint the other members of the Section Executive Committee. These appointments shall be consistent with Society Chapter elections in the case of the Chapter Chair.

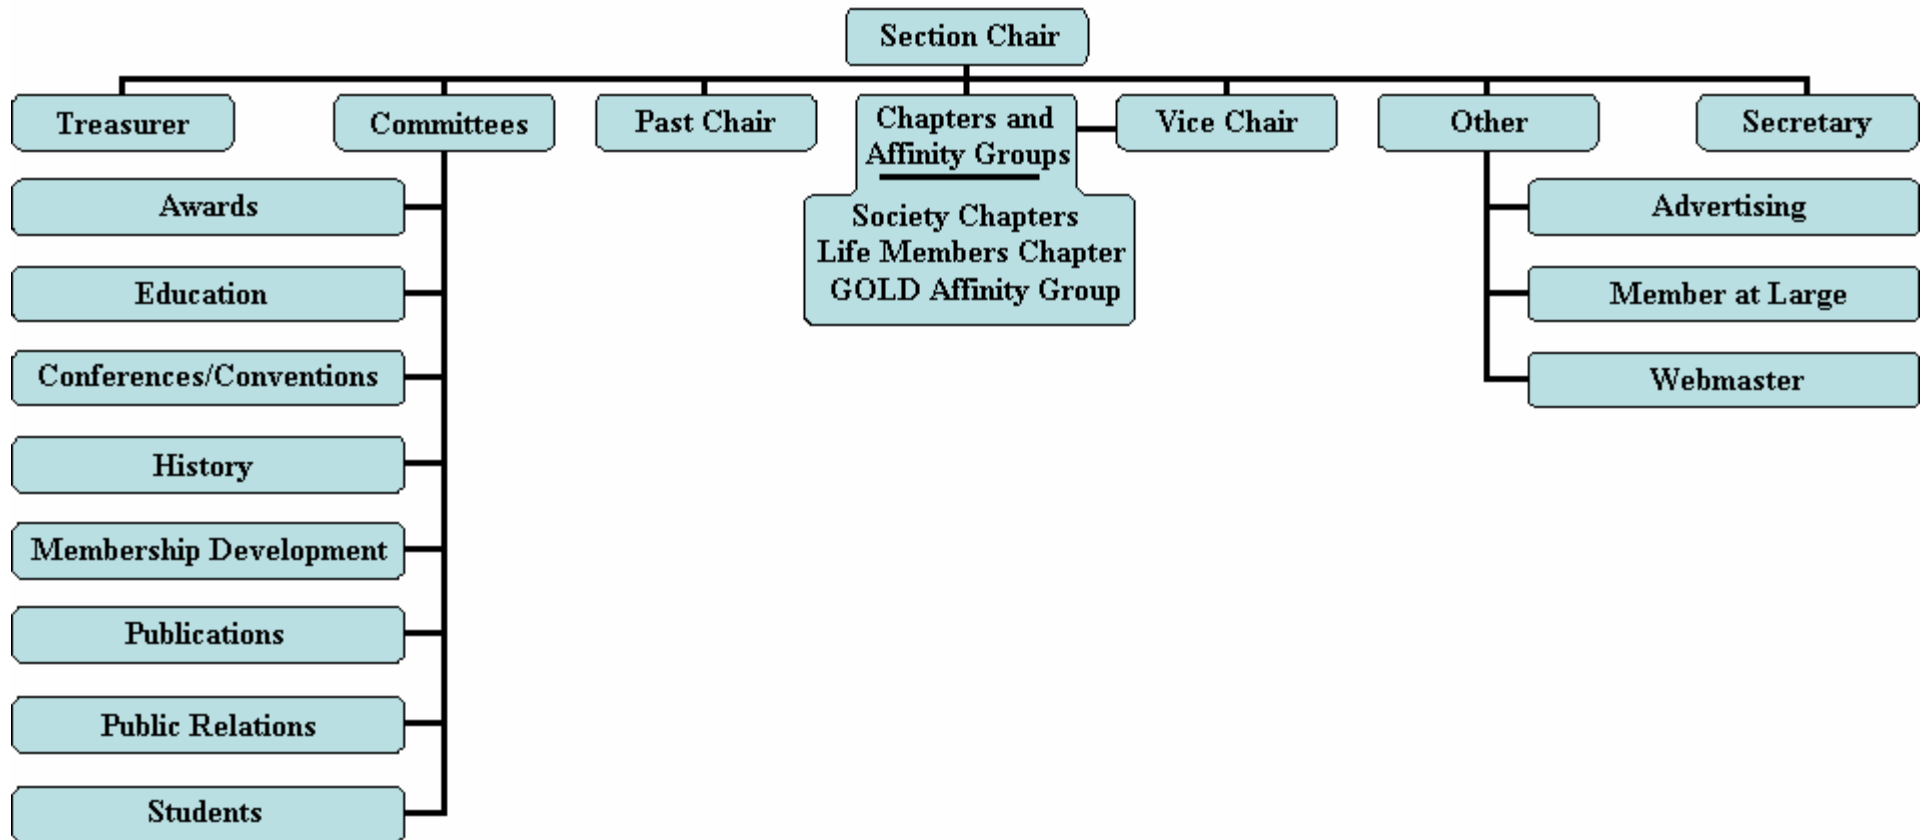

ARTICLE 8: AMENDMENTS

8.1 Amendments:

Amendments to these By-laws may be made by a two thirds vote of the full Section Executive Committee provided the proposed amendments are in accordance with the Constitution and By-laws of IEEE. Such vote shall be by show of hands at a meeting of the Executive Committee, with the further provision that absentee members may within thirty days of receiving the meeting minutes subsequently submit their votes in writing to the Secretary.

Amendments to or revocation of these Bylaws shall be in accordance with the IEEE Bylaws, RAB Bylaws and RAB Operations Manual. Such amendments must be reviewed by IEEE Staff, and approved by the Region Director and Regional Activities Board.
