

*2<sup>nd</sup> announcement and call for papers*

# 10<sup>th</sup> European Congress of DentoMaxilloFacial Radiology

31 May – 3 June 2006  
Provinciehuis, Leuven

## *INVITATION*

---

Dear colleagues,

It is with great pleasure that the University in Leuven will host the 10<sup>th</sup> European Congress of Dentomaxillofacial Radiology. With its central location in Belgium and Europe, Leuven is a most attractive congress site.

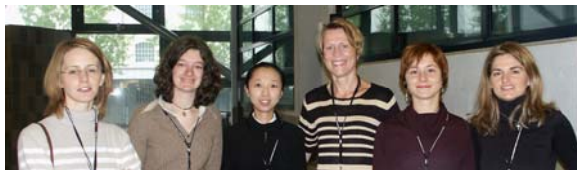

The Katholieke Universiteit Leuven can reflect on a glorious past and Leuven still owes much of its historical character to the numerous university buildings spread throughout the town. Brussels and its airport are located just 20 km away. Other historical Belgian cities can be easily reached and may provide an extra dimension to the event. The Congress Organising Committee aims to offer you a most interesting scientific meeting, combined with a unique social programme.

Today, we are most happy launching our official congress website [www.10ecdmfr.be](http://www.10ecdmfr.be). Please take a look to get a taste what is awaiting you!

We are really looking forward to meeting all EADMFR members in Leuven, and we ensure you a rewarding and unforgettable experience in June 2006.

*A Warm Welcome to Leuven!*

Reinhilde Jacobs, Congress Chair  
On behalf of the Congress Organising Committee
