Senior Member grade

Voraussetzung

- be engineers, scientists, educators, technical executives, or originators in IEEE-designated fields
- have experience reflecting professional maturity
- have been in professional practice for at least ten years
  - bachelor + 3
  - master + 4
  - doctor + 5
- show "significant performance" over a period of at least five of their years in professional practice.
Many prospective applicants make the mistake of assuming that "significant performance" requires special awards, patents or other extremely sophisticated technical accomplishments; such is not the case.

- **Substantial job responsibilities** such as team leader, task supervisor, engineer in charge of a program or project, engineer or scientist performing research with some measure of success (papers), or faculty developing and teaching courses with research and publications, all are indications of significant performance well as the following:
  - Substantial engineering, responsibility or achievement.
  - Publication of engineering or scientific papers, books, or inventions.
  - Technical direction or management of important scientific or engineering work with evidence of accomplishment.
  - Recognized contributions to the welfare of the scientific or engineering profession.
  - Development or furtherance of important scientific or engineering courses that fall within the IEEE designated fields of interest.
  - Contributions equivalent to those of the above in such areas as technical editing, patent prosecution or patent law, provided these contributions serve to advance progress substantially in IEEE designated fields.

Was bedeutet “Significant performance”?

Benefits for Senior Members

- **Recognition:** The professional recognition of your peers for technical and professional excellence.
- **Senior Member Plaque:** Since January 1999, all newly elevated Senior Members have received an engraved Senior Member plaque to be proudly displayed for colleagues, clients and employers to see. The plaque, an attractive fine wood with bronze engraving, is sent within six to eight weeks after elevation.
- **US$25 Coupon:** IEEE will recognize all newly elevated Senior Members with a coupon worth up to US$25. This coupon can be used to join one new IEEE Society. The coupon expires on 31 December of the year in which it is received.
- **Letter of Commendation:** A letter of commendation will be sent to your employer on the achievement of Senior member grade (upon the request of the newly elected Senior Member).
- **Announcements:** Announcement of elevation can be made in Section/Society and/or local newsletters, newspapers and notices.
- **Leadership Eligibility:** Senior Members are eligible to hold executive IEEE volunteer positions.
- **Ability to Refer Other Candidates:** Senior Members can serve as a reference for other applicants for Senior Membership.
- **Review Panel:** Senior Members are invited to be on the panel to review Senior Member applications.
Thank you!
