### Conference Registration

<http://ucoll.fdu.edu/IEEE/index.php>

All undergraduate IEEE Student members are eligible to participate in the 2008 Region 1 Student Paper Contest.

***Authors must register for the event no later than the deadline below at the Conference Registration Site above.***

The written paper will be due (received no later than) the deadline below and should be sent to [robert.sadowski@ieee.org](mailto:robert.sadowski@ieee.org) in MS Word format following the template available at conference website above. Researching, writing, and presenting a paper provides a Student with invaluable early experience in expressing ideas related to engineering. Since the Region 1 Student Paper Contest's primary function is to improve the engineering Student's communicative skills, no Student should be discouraged from entering the contest due to a false requirement of technical sophistication.

**Registration Deadline: April 7, 2008**

**Paper Submission Deadline: April 10, 2008**
