

## Section 5 - 5.20: Professional Activities Coordinator

### 1. Objective

- To identify what “professional activities” the members in Regions 10 want and appropriate options for delivery. To assist the development of a strategic plan to assist all R10 in developing Professional Activities tailored to their specific needs and interests.
- Inventory and assess the current state of Professional Activities within IEEE
- Compile data on member interests and preferences related to Professional Activities, their management and financing

### 2. Responsibility

Represent R10 in the MGA Professional Activities Committee to achieve the above Objective.
