**IEEE Central Georgia Section Chair Report for March 2010 Region 3 Meeting  
17 March 2010**

We have no issues requiring Region 3 attention at this time.

Current officers remain in place from 2009:

Chair: Clif Menchew  
Vice Chair: Dan Bishop  
Secretary: Suraj Padmanabhan  
Treasurer: Lew Mozzini  
Membership Development: Adam Wofford

The Central Georgia Section had a successful 2009. Meetings included tours of the TV studios at Channel 41 and the Acuity Brands (aka Lithonia Lighting) plant in Cochran, GA. Also, presentations by technical experts included a Linux briefing by Mr. John Mathieson. In addition, the Central Georgia Section sent 5 members to attend 2009 Southeastcon in Atlanta, GA.

The Central Georgia Section continues to support activities for the IEEE student section at Mercer University's School of Engineering. The student section participated in the Hardware Competition at Southeastcon 2009 and will be competing again at Southeastcon 2010.

The highlight of the year was a picnic on October 17<sup>th</sup>. The Central Georgia Section hosted the Atlanta and Savannah sections at the Museum of Aviation at Warner Robins Air Force Base for a day of fellowship and barbecue. Uncooperative weather dampened the festivities slightly but, hopefully, this may grow into an annual event.

Clif Menchew  
Chair, Central Georgia Section
