### **NC COUNCIL BYLAWS**

New *NC Council Bylaws* have been written to retain the intent and purpose of the new *MGA Operations Manual*. The new Bylaws were approved by the NC Council Committee on January 22, 2011 and have been submitted to the Region Director, who in turn submitted them to MGA for review. We are awaiting word from MGA at this time. Upon approval by MGA the Bylaws will be submitted to the R3 EXCOM for review and approval.

### **NC COUNCIL AND SECTION OFFICER TRAINING**

An IEEE NC Council Training session was held on Saturday, January 22 2011, in conjunction with the NC Council Committee Meeting. *Twenty four* NC Council Committee members and NC Council Section Officers attended the full one training session. The training was lead by R3 Education and Training Chair Mary Ellen Randall with support from Charles Lord, Dr. James Conrad, Paul Goodson P.E. and Dr. James Corr. It was an excellent program. All attendees were given a 2G memory stick containing all the information that presented. Any or all of the information presented may be obtained from Mary Ellen or Jim Corr.

### **SECTION ACTIVITIES**

All 5 Sections in The NC Council have a full slate of activities planned for 2011. Their individual reports will be forthcoming.

### **SOUTHEASTCON2011 ATTENDANCE**

As of now a full slate of attendees including all Sections of NC Council will attend SouthEastCon 2011.

### **R3 Sections Congress Recommendations**

Emails have gone out to all the Sections in NC Council asking for recommendations to brought forward to R3 for consideration at Section Congress. As of this writing, nothing has be brought forward for consideration. This will be the main topic during the NC Council meeting Friday evening at the SouthEastCon2011 R3 Area 2 meeing.

Respectfully submitted,

James L. Corr
