

## **IEEE Florida Council Report to March 2011 Region 3 Meeting in Nashville, TN**

### **Issues requiring action by the Region 3 Committee or EXCOM:**

- None

### **Opportunities for Engaging the Member, Volunteer, and Non-Member:**

- Florida Council has an active awards program recognizing members in the following categories outstanding engineers, outstanding engineering educators, and outstanding services. FC award winners are recommended to Region 3 for awards as well. Award Chair Karl Lohman has done a great job year after year.
- Florida Council continue to present special awards

### **Notable Activities:**

- Florida Council held its annual Fall meeting on Oct. 3<sup>rd</sup>, and its annual Winter meeting on Dec. 4<sup>th</sup>, both in Orlando, FL. Both meeting were well attended, most sections were represented. At the end of Winter meeting, FC officers elections were conducted, and a new slate officers were elected for next two years 2011 & 2012.
- With many help from of Region 3, and hard work of Orlando Section volunteers, IEEE SoutheastCon 2012 planning is going well. First call for papers and sponsors are published in the SoutheastCon2011 Program. Hardware rules will also be announced at SouthEastCon 2011.
- Florida Council is also helping Daytona Section co-sponsoring IAS Society's 2012 Electrical Safety Workshop in Daytona.

### **2011 - 2012 Florida Council Officers are:**

Chair – Dr. Donghui Wu

Vice Chair & Treasurer – Dr. Jim Anderson

Secretary – Mr. Tracy Wichman

Respectfully submitted,

Donghui Wu,

Chair Florida Council 2011-2012
