*IEEE Hampton Roads has consistent member attendance at technical meetings on the order of 20+ per meeting. Our current goals are to increase new member participation and the involvement of new volunteers.
*We are planning a 50th year anniversary of the Hampton Roads Section for November 2011. We are planning a banquet for 50+ attendees, and we are considering a talk from a distinguished lecturer.
*IEEE Hampton Roads is involved with the Oceans 2012 conference, a joint conference of the IEEE OES and the Marine Technology Society that will take place in Virginia Beach. <http://www.oceans12mtsieeeyeosu.org/>
*In April Jennifer Ammentorp, the Hampton Roads PES Chapter Chair, will participate as a STEM mentor to a group of High school girls at an event called "Girls get I.T.", sponsored by ECPI Newport News.

Best Regards,

Jason Naramore
IEEE Hampton Roads Section Chair
