NC COUNCIL NOTABLE PROGRESS AND ACCOMPLISHMENTS FOR 2011

- o NEW BYLAWS FOR NORTH CAROLINA COUNCIL – APPROVED BY MGA BOARD.

New Bylaws were written and approved by the NC Council in January 2011. These bylaws were written in accordance with the new MGA and Region 3 Operations Manuals. The new NC Council bylaws were submitted to the MGA Board of Directors and subsequently were approved by them in November. Please see the new NC Council bylaws, also attached with this report.

- o SECTIONS CONGRESS PARTICIPATION

All 5 Sections in the NC Council participated in Sections Congress 2011.

- o NC COUNCIL ELECTIONS

The NC Council is in the midst of it's annual election cycle. Two candidates for each office have been proposed by the N and E Council. The election is being handled through V-Tools. The results should be available within the next few days and will be reported to MGA and R3 as required.

- o MY LAST NC COUNCIL REPORT

After nearly 3 years at the helm of the NC Council, I have completed all the goals I had set for the Council including participation in SECon 2010, a weekend of training and all those items noted above. I'd like to thank the Director, the EXCOM and everyone for their support during my chairmanship. A new NC Council Chair will be coming aboard in January.

Jim
James L. Corr
IEEE Senior Member
Chair - North Carolina Council
Member Region 3 Executive Committee
WNC Section - Past Chair
Local Consultants' Network Chair
